OBERLIN COLLEGE,

OBERLIN, OHIO.

DEPARTMENT OF THEOLOGY.—Instruction is given by the President, five Professors, and eminent special lecturers appointed from year to year. Students have commodious furnished rooms in the new and attractive building, COUNCIL HALL, which is devoted exclusively to the uses of this department. They have free access to all the classes, libraries, and cabinets of the other departments. Fifteen weeks during the summer can be spent in home-missionary or other labor, with compensation, without interference with studies. The demand for such labor is greater than the supply. During the last half of the course, the students have frequent opportunities to supply the neighboring churches. Students who need pecuniary assistance receive the usual aid from the American Education Society, and such appropriations from special funds under the control of the Seminary as will enable them, with reasonable prudence and economy, to pursue their course without interruption or embarrassment.

DEPARTMENT OF PHILOSOPHY AND THE ARTS.—Twelve Professors give instruction in this department. The *Classical Course* embraces the studies of our best colleges, so arranged that after the Freshman year the student may, by elective studies, give a classical or scientific character to his course, receiving the degree of A. B. at its close. For entrance, three years of Latin, two of Greek, and one term of Geometry are necessary. The *Literary Course* is like the above, with the exception that no Greek and less Latin are required.

DEPARTMENT OF PREPARATORY INSTRUCTION.—Comprises a Classical School, which prepares students for the best colleges, and an English School, which offers the advantages of a first-class academy to those who can spend but a little time at school. Instruction is given by the Principal of this department, six tutors, and about twenty special teachers.

Expenses in all departments for tuition, incidentals, and board are *very low*. Students who do not wish to take a full course can select such studies in any department as they are prepared to pursue to advantage. Both sexes admitted. Location healthful, and religious influences the best. No drinking saloons in town. Circulars with full information sent free by J. B. T. MARSH, *Secretary*.

OBERLIN

CONSERVATORY OF MUSIC.

THIS Institution has been established sixteen years. The first intention was to furnish elementary instruction, mainly for the purpose of affording what was at that time very rare in this country,—namely, a suitable preparation for advanced standing in the European conservatories. To this end, care has been taken to employ none but thoroughly qualified teachers. Graduates from this school have continued their studies in the best foreign conservatories, and in every case have received high commendation for the thorough and satisfactory nature of their preparation.

The School has had a vigorous growth, and now stands among the few institutions of our land which furnish superior advantages for doing work of an advanced grade. It is manned by a board of eleven professional and four assistant teachers, and it aims especially at the production of **Thorough Musicians**, instead of mere piano players, organists, or solo singers. A well-balanced cultivation of all the musical and intellectual faculties must be made the groundwork on which special studies and virtuoso attainments can be superimposed, if the musical profession is ever to be freed from the reproach of one-sided development and ignorance in matters outside of a certain specialty.

EXPENSES are much lower than at other schools of the same grade. The entire outlay for a year's instruction (giving one's whole time to the study of music) need not exceed \$350, including all necessary expenses. Many students get along comfortably with a much smaller expenditure.

For further particulars, send for Catalogue.

LASELL SEMINARY FOR YOUNG WOMEN, AUBURNDALE, MASS.

LASELL SEMINARY FOR YOUNG WOMEN,

Auburndale, Mass.

(TEN MILES FROM BOSTON.)

"Jennie June" says: "Lasell is a true home school, one that parents can rely upon as being perfectly safe and pure in tone, where the best influences are brought to bear in forming a young girl's character."

We suggest to parents seeking a good school for their daughters the following considerations in regard to the special aims of Lasell Seminary in the education of young women:—

First. It is thoroughly home-like in character. A large number will never be received. A judicious, motherly care takes the place of given rules. The pupils soon feel that they are loved and trusted, and respond naturally to this trust, and are at their best. The system (peculiar to this school) of self-government, after a successful probation, appeals to the best motives, and rarely fails to strengthen in each young woman a sense of responsibility to *herself* that is most valuable for life.

Second. It gives special care to health. Young people, girls especially, ought not to work under such conditions that at the end of a school year they are tired out. It is our purpose that pupils shall constantly grow stronger in body as well as in mind. A lady physician is in regular attendance at the expense of the school, looks after ventilation, dress, care of the body, and advises proper work and recreation for individual cases.

Our building is open on every side to sun and air; the hours of sleep are long, and the table amply supplied with a variety of well-cooked and palatable food. Our drainage is perfect; we never have any malarious disease, and sickness of any sort is very rare.

Third. It has established a handiwork department. Believing that cooking, dress-cutting, millinery, and similar branches are of importance in every young woman's preparation for actual life, whether ever required for self-support or not, we have for some years given them attention quite unusual in schools. The instructors are Boston specialists, and these branches are placed on the basis of history, music, bookkeeping, or any of the studies taught.

Fourth. It gives unusual opportunities for the study of the modern languages. French and German are taught by one of the best masters in the United States, with accomplished English assistance, thus combining the advantages of both.

Fifth. Its musical advantages are unexcelled. Our teachers are specialists of established reputation in Boston. Instruction is given in limited classes, or privately, as desired. The courses for diplomas are more extended than in most conservatories, and pupils have the great advantage of hearing what is best in Boston, a centre of musical culture. Seventeen new and carefully selected pianos have just been placed at the service of the musical pupils. They are mostly uprights, and are from Decker & Son, Knabe, Emerson, Hallett & Davis, Chickering, Miller, and Steinway. There is also a two-manual pipe organ, with full set of pedals, and a pedal piano for organ practice.

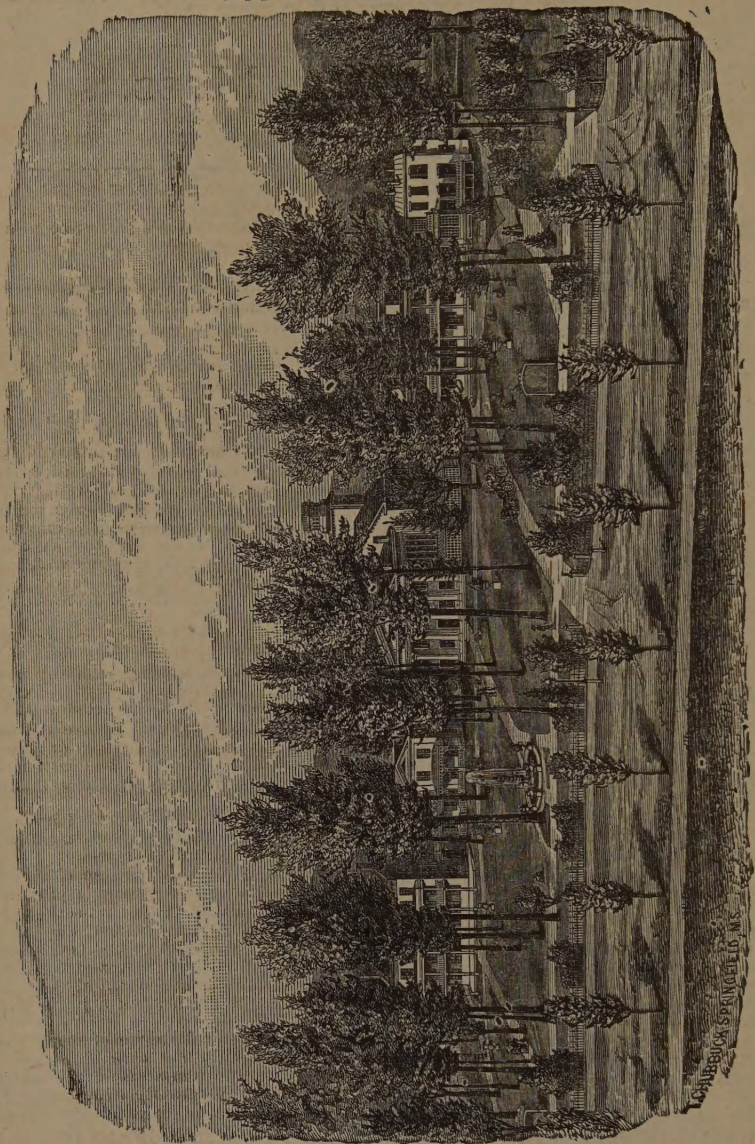

Sixth. It gives thorough instruction in a broadly planned course of study *quite above the grade of most seminaries*. It utilizes constantly the rare opportunities which its nearness to Boston gives it, for securing the best masters in the various departments. In history and English literature we do unusually extended work. Mr. Henry N. Hudson supplements the class instruction in literature by weekly readings with the pupils, of Shakespeare and other English classics.

EXPENSES.—For a full year, including board, furnished rooms, lights, washing, seat in church, use of library and reading-room, lectures, tuition in all the studies of the course (except modern languages), freehand drawing, elementary vocal lessons, penmanship, calisthenics, etc., \$400. No extras, except modern languages and private lessons in music, drawing, and painting.

Parents are invited to send for Catalogue.  Please mention this publication.

Summer guests find here an admirable resort, which they have filled to its utmost capacity for several seasons during the long vacation.

GANNETT INSTITUTE

FOR YOUNG LADIES,

69 CHESTER SQUARE, BOSTON, MASS.

REV. GEORGE GANNETT, A. M. - - - Principal.

LOCATION AND BUILDINGS.—It has one of the most beautiful and desirable locations in the city. The school building was erected expressly for the purposes of the Institute, on the most approved plan of architecture and interior arrangements. The entire establishment is heated with steam, and has all the modern conveniences.

ORGANIZATION.—It was organized twenty-seven years since, and its plan from the beginning has been eminently liberal and comprehensive.

DEPARTMENTS.—It has three departments: the Preparatory, Intermediate, and Senior. Thoroughness in character and methods of instruction characterizes each. The Senior Department embraces a four-years' course, which includes the Higher Mathematics, History, Philosophy, the Sciences, Ancient and Modern Languages, Art Studies, and the various Literatures.

A PARTIAL course may be taken, or a selection of studies is permitted.

DIPLOMAS are awarded to those who shall have honorably completed the prescribed course.

TEACHERS AND PROFESSORS.—In every department, such teachers and professors only are employed as have been enriched by years of eminent success in their work; and so large is the board of instruction, in proportion to the number of pupils, that an unusual division of labor is secured.

LIBRARIES.—A Library of several thousand volumes, and a large and valuable Art Library, afford every incentive to reading, study, and research, outside of the text-books.

A HOME is found here for twenty-five young ladies and six of the lady teachers, who constitute a family of refining intimacies and social culture.

A LECTURE COURSE.—From eighty to one hundred lectures, upon History, Literature, Philosophy, Science, and Art are given annually, not to displace, but to supplement the class-room training.

DRAWING AND PAINTING.—In this department, a resident lady teacher, of well-known ability, is occupied during all the school hours. The Studio is filled with casts, natural and artificial objects, as well as flats.

IN FRENCH, GERMAN, AND ITALIAN, native teachers are employed, and a competent American lady superintends the class-room work.

Wheaton Female Seminary, NORTON, MASS.

Was founded by Hon. Laban Wheaton, of Norton, in 1834, in memory of his daughter, to be a school for Christian education. It is on the Boston, Clinton, Fitchburg and New Bedford Railroad (Old Colony, Northern Division), within an hour's ride of Boston, and is in connection with all important points by railway and telegraph. It is in a healthful village, entirely free from all temptations and excitements. It is not a large school, and gives, therefore, opportunity for familiar personal intercourse between teachers and pupils. It has a very choice reference library of over three thousand volumes, one of the best furnished laboratories in the country, ample philosophical apparatus, an observatory with a fine telescope, and cabinets of natural history, all of which are accessible for study.

The design of the school is to impart an accurate, thorough and practical education. It especially aims, as it has done from the beginning, to base such education upon a hearty faith in the Bible, and a conscientious Christian life; and it is the endeavor that a pervasive Christian influence be constantly felt throughout the school.

The regular course of study for graduation covers four years. But pupils can join temporarily such classes as they are prepared to enter, without pursuing the full course.

The expense for the regular course, including tuition, board, room and heating, lights, wash, (twelve pieces per week), \$255 per year. The regular tuition of the daughters of clergymen and missionaries is remitted upon application before the beginning of a term. Several scholarships of one hundred dollars each are provided for deserving pupils.

ABBOT ACADEMY,

ANDOVER, MASS.

Andover, on the Boston and Maine Railroad, about one hour's ride from Boston, Salem and Lowell, is one of the most beautiful and healthful of New England villages. It is the seat of one of the oldest and largest Theological Seminaries in the country, and of Phillips Academy, the first incorporated and most celebrated classical school. The moral and intellectual atmosphere created by these collected institutions, their history and traditions, tend most strongly to promote the mental and moral development of those who come here for instruction.

Abbot Academy is located in the immediate neighborhood of these institutions, and enjoys many incidental advantages through them, while easy access to Boston and Cambridge brings within its reach fine Music, Art Galleries, Museums, Cabinets, and the Botanical Garden, to all of which, classes with their teachers have occasional access. The Academy has a fine Clark Telescope, good working cabinets, models, and apparatus of its own.

The course of study covers four years, and embraces all the usual academical studies, special attention being given to Mental and Moral Philosophy, English, and General Literature, the History of Art, and to the Latin, French and German Languages. Superior advantages are afforded in Music, Drawing, Painting, and Elocution.

The domestic arrangements are peculiarly homelike. The school is divided into three separate families in separate houses, each under its own matron and teachers. One of these families is made up wholly of pupils in French, in which language the daily table-talk is carried on under the direction of the French teacher. Another family is occupied with German in like manner.

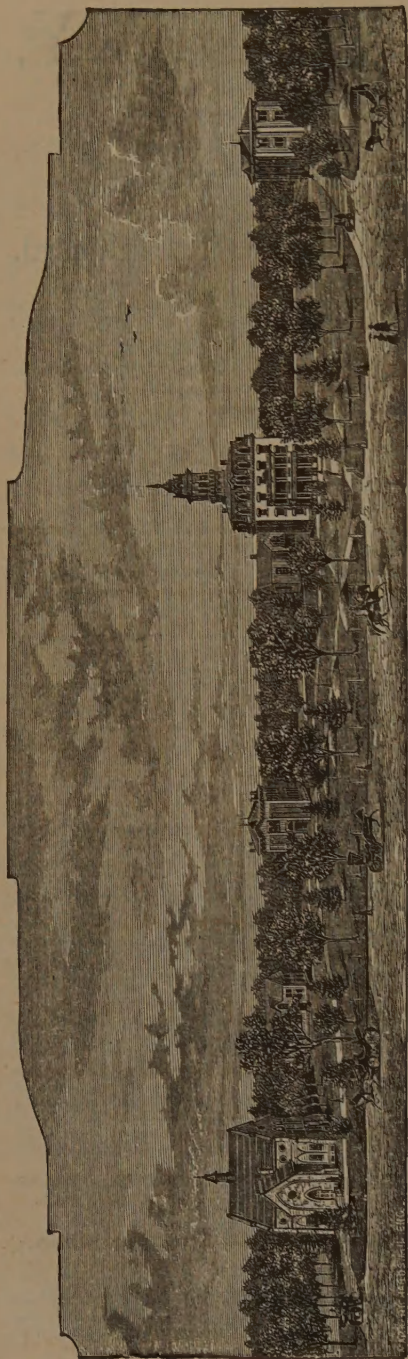

The school has been successfully conducted for twenty years by the same principal, assisted by an able corps of teachers, whose constant endeavor is to so educate girls that they may mature into healthful, cultivated, earnest, Christian women.

The total expenses for board, including fuel, lights, and washing, and for tuition, except music and drawing, is \$300 per annum.

Application for admission or information should be made to

Miss PHILENA McKEEN, Principal, Andover, Mass.

In connection with the Semi-Centennial Celebration, a Catalogue of all past pupils and teachers of the Academy, with their present address, was published, and is for sale by Mr. W. F. DRAPEER. Price, 60 cents. Also a full history of the School by the Principal. Price, by mail, postpaid, with eight illustrations, \$3.20; with one illustration, \$2.20.

BELLOIT COLLEGE.

THIS College was founded by joint conventions of churches, — Congregational and Presbyterian, — in Wisconsin and Northern Illinois. It was opened for students in 1847. It provides two courses of collegiate study: a Classical course, intended to give the highest and best literary culture; and a Philosophical course, for a sound and broad scientific training.

Its Preparatory Academic School offers three courses, viz.: a Classical course and an Elementary Scientific course, which are preparatory to the two collegiate courses; and a Business course, for such as do not purpose to enter College.

In all its work the College aims to give the best physical, mental, and moral culture possible, with a view to the practical duties of life, as well as to high attainments in learning. Its scholarship ranks with the best. Its several departments are well manned. It has well-appointed Chemical, Geological, and Zoological laboratories, a standard suit of Philosophical apparatus, a fine Library and Museum, a well-equipped Gymnasium, and now in progress of erection a complete Astronomical Observatory to be furnished with the best modern instruments.

Expenses are very low. Aid is given to deserving students from scholarships and other educational funds, and various facilities are offered to such as desire to work their own way.

Those who believe in a Christian training, that intelligence and piety should go hand in hand, that character is the chief thing, will do well to avail themselves of the advantages of this College.

The Winter Term begins Jan. 4, 1882, the Spring Term April 12, and the Fall Term Sept. 6; Commencement June 28.

In 1854, THOMAS PARKMAN CUSHING, of Boston, left the bulk of his estate to found an Academy in his native town of Ashburnham, where for fifty-five years his father had labored as the second Congregational minister. After increasing for ten years, according to the terms of the will, in 1865 the property, amounting to \$96,000, was made over to Pres. Wayland, Gov. Bullock, and their associates of the first Board of Trustees. The fund was allowed to accumulate for nearly ten years longer, when about \$86,000 was expended in the present commodious building and its furnishings, and a considerably larger sum was set apart as a permanent endowment. The School was opened in 1875, and has since been quietly pursuing its work of laying a foundation and gaining a standing before the public. The attendance three years ago was 76; two years ago, 106; last year, 116; this year (to February, 1882), 144.

While entirely unsectarian, the School aims pre-eminently to exert a healthful moral and Christian influence. Three Courses of Study are marked out, — Classical, Ladies', and General or Scientific; and full preparation is given for colleges for either sex. By the will of the founder, special attention is given to those who wish to engage in teaching or some other profession, but are unable to take a college course; for the benefit of such, the languages may be pursued much beyond the mere requirements for college, and more than the usual space is given to Laboratory Work, English Language and Literature, Essays and Discussions, History, Political Science, Mental and Moral Philosophy, and Pedagogics. Superior instruction is given on the piano and organ.

Expenses are low, aggregating \$150 to \$200 for the school year. Young ladies board in a very pleasant hall lately furnished, or in families; young men, in good private families. At present (Feb. 1) there are no vacancies, and, usually, applications must be made some time in advance to secure accommodations. For catalogue or further information, address

JAMES E. VOSE, Principal.

** The Class of '82 has several members of fine promise who desire situations as teachers the coming fall, — Christian young men and women who have tugged their own way through against heavy odds. School Boards are invited to correspond, or to call at the Institution.

THE HOWARD UNIVERSITY,

WASHINGTON, D. C.

OBJECT.

This institution secures the advantages of education to the colored race, but is open to all students, irrespective of race or sex. It can accommodate 500 students, at a very cheap rate of expense, and twenty-six States are now represented.

DEPARTMENTS.

It has an Academic Department, embracing (a) The *Model School Course* of three years in the elementary English branches (students completing this course are prepared to begin either of the three following): (b) The *Normal Course* of three years, adapted to those who have the work of teaching in view; (c) The *Literary Course* of four years, designed to furnish a good practical education for those who are unable to take the full college curriculum; (d) The *Classical Preparatory Course* of three years; and (e) The *Classical College Course* of four years.

It has also three Professional Departments, — Law, Medicine, and Theology. The two latter are especially flourishing. The Medical Department is under the charge of an able Faculty, is the cheapest medical school in the land, and has access to a large national hospital on its grounds. The majority of its students are white. The Theological Course is adapted to the peculiar wants and future work of the students, and gives a regular or a special course. Its Faculty and students represent several denominations, but it is supported by the American Missionary Association and by the Presbytery of Washington.

EXPENSES.

No tuition is charged in the Academic Course. Room rent, \$15 00. No charge to theological students for room rent. Rooms are furnished, but students provide their own bedding (except mattress), towels, crockery, fuel, and light. Board, \$10.00 per month (cheap table, \$8.00). Washing, \$2.00 per month. Law Department, \$40.00 per year; Medical, \$10.00 initiation fee, \$30.00 graduation fee, and no tuition fee.

NECESSITIES.

Howard University appeals to the Christian public of all denominations for pecuniary aid. It has grounds and buildings which cost over \$500,000, which are *free of debt*, but it needs permanent endowments for its professorships, and endowed scholarships for indigent students. Situated at the national capital, where its work is conspicuous, it has the noblest opportunity to reach all parts of the land with its elevating influence. Appeal is made, for generous contributions, to churches, Sunday schools, ladies' societies, and benevolent individuals.

FISK UNIVERSITY,

NASHVILLE, TENN.

Rev. E. M. CRAVATH, Pres.

Rev. A. K. SPENCE, Dean.

EDWARD P. GILBERT, Treas.

Fisk University was founded for the express purpose of giving Christian education to the emancipated millions of the South. Its location is central and in every way desirable for the purposes of a great University. Nashville is easily accessible, and is sufficiently elevated above and removed from the malarious regions to be a favorable place for study. It is the greatest centre of educational institutions in the whole South. Nearly every denomination has selected Nashville, or some point near by in Middle Tennessee, as the seat of its college or university for the Southwest.

HISTORY.

The work was begun immediately after the close of the war. There have already been established the following departments: Normal, with its Model School for practice, Higher Normal, College Preparatory, College, and Theological. It is hoped that funds can soon be provided to establish departments of Medicine and Law.

The University has one large building named Jubilee Hall, in honor of its Jubilee singers, who raised the money to erect it. Its second building, Livingstone Missionary Hall, provided by the munificence of Mrs. Daniel P. Stone, will be completed in time for occupation at the beginning of the next school year.

NECESSITIES.

The great and pressing necessity of the University is an adequate endowment. Fisk University is emphatically a missionary institution. The people, in whose interest it has been founded, were, seventeen years ago, *slaves*. The most of the students are dependent on themselves, and must earn their own support while securing their education. The colleges of no section of our country rely upon their students for the salaries of professors.

The current expenses of Fisk University have thus far been principally met by the A. M. A., but with the hope that the success of its work would create for it friends, who would gladly endow it.

Insures robust manhood. Feed your children on RIDGE'S FOOD. It is used with greater success than any other article of the kind, as the thousands of children who have been reared on RIDGE'S FOOD and its enormous sales testify.

RIDGE'S FOOD

Will support life single-handed. It is NOT wholly dependent on milk, like other so-called Baby Foods.

NURSING MOTHERS

Will find an increase in their own strength and that of their babies by taking a bowl of RIDGE'S FOOD every night. The DAILY USE of RIDGE'S FOOD will make a dyspeptic invalid happy.

DYSPEPTICS

Will find in RIDGE'S FOOD every qualification necessary, as it is a steam-cooked food, wherein all the flesh-forming properties are retained. It is soothing, strengthening and satisfying, and can be used in a great variety of ways to suit the most fastidious.

PLUMP BABIES,

Yes, solid babies, are the result when fed daily on RIDGE'S FOOD. It fortifies them with strength to battle with diseases peculiar to child life.

ALL THAT LIVES

Must be fed, and RIDGE'S FOOD is something to eat. It is not a thin, insufficient food. In cases where the stomach will not assimilate milk, it can be used without.

A CHILD'S LIFE

Depends in a great measure on its daily food. Remember, if the food is improper in kind and insufficient in quantity, the foundation is laid for future misery and disease. Children who are fed on RIDGE'S FOOD grow up strong and healthy, and tens of thousands are saved every year by its use.

LITTLE CHILDREN

Often need simple nourishment rather than medicines, and how to afford this when the child has little power to assimilate is fully met in RIDGE'S FOOD, which will give bone, muscle and sinew without distress. Experience is the great teacher, and those who have not used RIDGE'S FOOD for their little ones should give it a trial. Take no other. It has been in use forty years, and still leads.

IN ENGLAND,

Where RIDGE'S FOOD has been in use forty years, the dietetic controversy was carried to a special committee of the House of Commons, and the result was that RIDGE'S FOOD was placed at the head over all other preparations. In this country the sales of RIDGE'S FOOD are more than for all others combined.

PUBLIC OPINION

Justifies the statement that RIDGE'S FOOD is the best daily diet for children. *It makes bone, muscle, nerve tissue, and in every way builds up the system of the growing child.*

RIDGE'S FOOD

Is sold in cans, 35 cents, 65 cents, \$1.25 and \$1.75. WOOLRICH & CO. on every label.

It is hoped that funds can soon be provided to establish departments of Medicine and Law.

The University has one large building named Jubilee Hall, in honor of its Jubilee singers, who raised the money to erect it. Its second building, Livingstone Missionary Hall, provided by the munificence of Mrs. Daniel P. Stone, will be completed in time for occupation at the beginning of the next school year.

NECESSITIES.

The great and pressing necessity of the University is an adequate endowment. Fisk University is emphatically a missionary institution. The people, in whose interest it has been founded, were, seventeen years ago, *slaves*. The most of the students are dependent on themselves, and must earn their own support while securing their education. The colleges of no section of our country rely upon their students for the salaries of professors.

The current expenses of Fisk University have thus far been principally met by the A. M. A., but with the hope that the success of its work would create for it friends, who would gladly endow it.

THE MOST RELIABLE FOOD IN THE WORLD FOR INFANTS AND CHILDREN SOLD BY DRUGGISTS	RIDGE'S FOOD FOR INFANTS AND INVALIDS	THE BEST DIET FOR INVALIDS AND OLD PEOPLE FOUR SIZES .35 .65 1.25 1.75 <i>Woolrich & Co.</i> ON EVERY LABEL

HEALTHY CHILD FOOD

Insures robust manhood. Feed your children on RIDGE'S FOOD. It is used with greater success than any other article of the kind, as the thousands of children who have been reared on RIDGE'S FOOD and its enormous sales testify.

RIDGE'S FOOD

Will support life single-handed. It is NOT wholly dependent on milk, like other so-called Baby Foods.

NURSING MOTHERS

Will find an increase in their own strength and that of their babies by taking a bowl of RIDGE'S FOOD every night. The DAILY USE of RIDGE'S FOOD will make a dyspeptic invalid happy.

DYSPEPTICS

Will find in RIDGE'S FOOD every qualification necessary, as it is a steam-cooked food, wherein all the flesh-forming properties are retained. It is soothing, strengthening and satisfying, and can be used in a great variety of ways to suit the most fastidious.

PLUMP BABIES,

Yes, solid babies, are the result when fed daily on RIDGE'S FOOD. It fortifies them with strength to battle with diseases peculiar to child life.

ALL THAT LIVES

Must be fed, and RIDGE'S FOOD is something to eat. It is not a thin, insufficient food. In cases where the stomach will not assimilate milk, it can be used without.

A CHILD'S LIFE

Depends in a great measure on its daily food. Remember, if the food is improper in kind and insufficient in quantity, the foundation is laid for future misery and disease. Children who are fed on RIDGE'S FOOD grow up strong and healthy, and tens of thousands are saved every year by its use.

LITTLE CHILDREN

Often need simple nourishment rather than medicines, and how to afford this when the child has little power to assimilate is fully met in RIDGE'S FOOD, which will give bone, muscle and sinew without distress. Experience is the great teacher, and those who have not used RIDGE'S FOOD for their little ones should give it a trial. Take no other. It has been in use forty years, and still leads.

IN ENGLAND,

Where RIDGE'S FOOD has been in use forty years, the dietetic controversy was carried to a special committee of the House of Commons, and the result was that RIDGE'S FOOD was placed at the head over all other preparations. In this country the sales of RIDGE'S FOOD are more than for all others combined.

PUBLIC OPINION

Justifies the statement that RIDGE'S FOOD is the best daily diet for children. *It makes bone, muscle, nerve tissue, and in every way builds up the system of the growing child.*

RIDGE'S FOOD

Is sold in cans, 35 cents, 65 cents, \$1.25 and \$1.75. WOOLRICH & CO. on every label.

IMPORTANT NEW BOOKS.

THE REPUBLIC OF GOD.

AN INSTITUTE OF THEOLOGY. By ELISHA MULFORD, LL. D., Author of "The Nation." 8vo. \$2.00.

"Nothing like this unique book has yet been written. It is a strong, clear, positive statement of the theology of the Christ, directed to the thought of the age. It is the first attempt to explain theology by the scientific method. It is a constructive work. . . . The prime thought of the book can no more be shaken than the eternal hills; and whether men accept or dispute different points in its development, it is one of the few books that sooner or later create a new world for men to live in."—*New York Times*.

"It is a book easily misunderstood by routine religionists, and several readings will scarcely exhaust its meaning; but perhaps it is not too much to say that, taken as a whole, no book on the statement of the great truths of Christianity at once so fresh, so clear, so fundamental, and so fully grasping and solving the religious problems of our time, has yet been written by any American."—*Boston Advertiser*.

THE THEISTIC ARGUMENT

AS AFFECTED BY RECENT THEORIES. By J. L. DIMAN, late Professor of History at Brown University. Edited by Professor GEORGE P. FISHER, of Yale College. One vol. 8vo. \$2.00.

"It is a volume for students and clergymen, and thoughtful Christians who are more or less affected by the scientific speculations and materialistic babble and clatter of our time. It is unspeakably reassuring to Christian faith to find that after the fairest investigation and the most careful weighing of testimony, the decided preponderance of evidence is on the side of religion. He makes the reader see and feel that this is so."—*The Evangelist* (New York).

"While these lectures commend themselves to readers of speculative and metaphysical taste, they will be attractive and enjoyable to many whose tastes are not specially philosophical. They are particularly free from technical language, the chain of argument is lucid and easily followed, they are pervaded by a spirit of candor and conciliation, and they are distinguished by the ennobling influence and graceful finish that marked everything that came from Prof. Diman's pen."—*Providence Journal*.

Orations and Essays, with Selected Parish Sermons.

By J. LEWIS DIMAN. A Memorial Volume. With a Portrait. 8vo. Gilt top. \$2.50.

"There is not a single one of the articles in this volume—oration, essay, historical monograph, or sermon—which will not reveal to the reader that it was the product of a remarkable intellect, a most thorough culture, and a pure and lofty spirit. And when the book also includes specimens of all his varied mental activity, and shows his possession of the knowledge and faculties of the religious philosopher, the political scholar, the profound student of history, the accomplished and graceful orator, the world will understand not only how complete and well-rounded, but how thoroughly great a man he was."—*Providence Journal*.

"I think it is not the partiality of personal friendship which leads me to regard these productions of Prof. Diman as not surpassed by any other writings of the same class in our literature."—*George P. Fisher, Professor in Yale College*.

The Gospel of the Resurrection.

By JAMES M. WHITON, Ph. D. 16mo. \$1.25.

"A thoughtful and reverent study of one of the fundamental doctrines of Christianity. To those who are capable of rightly apprehending the spiritual conceptions which Dr. Whiton embodies in this volume, they will serve to clear away many mistaken and material ideas, and will help to make the sublime and inspiring truth of a life beyond the grave more intensely and vitally real."—*Boston Journal*.

"Contains a great deal that is interesting and consolatory. His views of the recognition of friends in heaven will find a glad response in the hearts of mourners everywhere."—*The Christian at Work* (New York).

CONCERNING THE NEEDED STATISTICS OF THE CHURCHES.

THE first printed national compilation of our statistics was in 1846, continued in 1847 and 1848; confined to list of churches, with membership, and lists of pastors and other ministers. The *Year-Book* of 1854-1859 had similar statistics. The first published by any State organization, beyond mere lists of churches and ministers, appears to have been in New Hampshire in 1817, a summary table by associations, containing membership (male and female), additions, removals, etc.; and in 1819 tables of churches, with male, female, and total membership. Massachusetts began in 1826 with churches and the items of membership, and in 1828 with quite full tables; the first to give such tables.

The *Congregational Quarterly*, in 1860, made a decided departure in presenting — each State having its churches arranged alphabetically for the first time — full tables, including all the items then collected in the States, and editing the tables carefully. The compiler of the tables of the present issue made and carried into effect the plan, and improved upon it year by year, by enlargement, by laboring to induce all the States to adopt uniform plans and to appoint, respectively, officials specially for the work, and in developing a general interest in having statistics which should include all parts of the country. The result has been satisfactory.

The *object* of any *plan* of statistics is, — to secure all needed facts, arrange them in the manner best for quick examination, and so to make summaries as to give an answer to any reasonable question without subjecting the questioner to any calculations whatever.

Certain points need still to be secured.

I. As to *churches*: Each State should give to the world:

1. A *complete* list of churches, and *count* them correctly. One State this year gave *four* irreconcilable numbers in the same issue.

2. List of all *new* churches since the last issue, with full dates of organization; list of all *dropped* churches; and list of all *changes of name*; so as to trace every church through successive years. Few States do this accurately, and the compiler of the national statistics has to compare lists, and exercise his own judgment.

II. As to *organizations*: Give the list of *officers*; and the exact *date* and place of the *next session*. Some States *never* do this, notwithstanding urgent entreaties.

III. As to *ministers*: —

1. The *first name* is indispensable; but one State of 54 names gives 7 first names; another also gives 7 out of 183, notwithstanding the entreaties of years.

2. In the tables, *licentiates* and *ministers of other denominations* should be so designated as such, and never included in the number of Congregational ministers. To do otherwise is dishonest, as it represents to the world greater numbers than we have.

3. Give to every one the *year of ordination*. One State gives *none*.

4. Give post-office addresses correctly. Some now given are not in the official government lists.

As to ministers, we need also to know, and a State Summary in State Minutes should tell us readily :

1. How many churches are served by installed pastors ?
2. How many churches have pastors not installed (meaning only ordained Congregational ministers) ?
3. How many churches are statedly supplied at date by licentiates or ministers of other denominations ?
4. How many churches are vacant ?
5. How many ministers are *pastors* in the State ?
6. How many are acting pastors in the State ?
7. How many are without charge in the State ?

Very few States do now give answers to these questions. The absence of these answers, and the frequent omission of anything to designate (in the tables) licentiates and men of other denominations, require laborious corrections of the lists in those tables, and days of needless labor and delay in compiling these figures for our national statistics.

IV. It would be a great convenience, and facilitate the issue of the *Year-Book*, if State Minutes would follow the *order* of items in general use. The list of items for which *figures* are asked is given in this issue on page 78. Any number of *blanks* wanted to collect these statistics in any State, will be furnished on application to the secretary of the National Council.

V. Items should be *added up*. In one State, eight items of benevolence had to be added by the compiler for each of two hundred and three churches, to obtain the amount for each church. A table not worth a "total" is rarely worth printing. *Summary tables* should be found in every State issue, and *made correctly*.

VI. States should be kept *distinct* in their totals. That is, if tables unite Presbyterian and Congregational churches, the statistcial world needs a distinct total for each, as is well given in New Hampshire. Likewise, if a State Association includes churches of another State, there should be distinct totals for each State, as is well done in New York and in Ohio, but is not done at all in some other States.

VII. The *Year-Book* ought to be able to add the name of every *church clerk*, and of the *superintendent of every Sabbath school*. The Sabbath-school work is important enough, prominent enough, and useful enough, to demand this help. Let us have the names in every State! The *post-office address* of every *church* should be given in the *tables*. For lack of this, *Year-Books* failed last year to reach scores of churches because of their fancy names. There are many "Pleasant"-Somethings in the land, and Something "Grove"s, unknown to the postmasters.

VIII. *Alphabetical lists* of ministers in the State issues should be confined to and include *ordained Congregational ministers*. These lists are implicitly and necessarily followed by the *Year-Book*.

The greatly enlarged statistics of the *benevolent societies*, in this issue, will answer a want.

TREASURER'S REPORT, JAN. 1, 1882.

At the Council in St. Louis the following resolutions were passed, found on page 31 of the Minutes :—

Resolved, That the Treasurer be authorized to ask at his discretion, offerings to the treasury for its present relief and future efficiency.

Resolved, That the Treasurer be instructed to publish each year in the *Year-Book* the condition of the treasury, and the amounts received and lacking from the several State bodies.

In compliance with the above, the following is given as the report of the Treasurer Jan. 1, 1882 :—

At that date the treasury was overdrawn to the amount of \$2,182.42
 There was due from unpaid arrears prior to 1881 501.13
 There was due from assessment for the year 1881 2,885.53
 Making in all, if paid as requested 3,386.66

Of this sum it is hoped that enough will be paid soon to relieve the treasury. If prompt payment were made by each State, it would give us the benefit of practical economy. The assessment for 1881 was made upon the membership as reported in the *Year-Book* of 1880, and may therefore differ from estimates made upon other figures.

The amounts received from and remaining unpaid by the several State bodies Jan. 1, 1882, were as follows :—

A serious difficulty in managing the finances of the Council arises from the fact that the returns from many of the States are a full year, and sometimes more, after the time when the bills they are designed to cover must be paid. This makes it necessary for the Treasurer to carry each year's expenses as a debt, upon which interest must be paid at rates such as empty treasuries have to pay. If the States would all respond without fail even then, the case would be relieved of some of its annoyances. It will be seen in the above statement that on the 1st of January, 1882, only *four* of the States had paid in full the dues for 1881. If all pay as requested by the action of Council in which all took part, the treasury will in time get relief.

Will not the officers of the State bodies give this matter their prompt attention, and at the earliest possible date forward what is now due? Also let those who have this matter in charge in the several States see that payments for 1882 are made at as early a date as possible, and thus relieve the Treasurer of much needless embarrassment.

For the current expenses of the Council, churches and local bodies are requested to contribute through the State body within whose limits they are situated. But if any churches or individuals are disposed to aid in establishing a "Relief Fund," which shall be kept as *security* for the ultimate payment of such sums of money as the Treasurer is compelled to borrow from time to time in meeting current expenses before the returns from the churches are received, it will be duly acknowledged and devoted to that purpose. Such a fund of four or five thousand dollars would be at once an index of stability and a source of income, and is greatly needed. A few of the churches and individuals to whom God has given wealth could easily make up this sum, as a token of regard for the Scriptural Order in which these nearly four thousand churches of Christ are affiliated.

COMMITTEE ON A CREED.

THE Committee* appointed by the National Council of the United States to select a Commission of twenty-five to consider the matter of preparing a new Creed and Catechism for the churches, have been delayed in reaching a conclusion by circumstances beyond their own control, growing mainly out of the necessity laid on them to secure the consent of the persons selected to serve, before making any announcement. The list is, however, at length completed, and is as follows:—

MEMBERS OF THE COMMISSION.

Rev. JULIUS H. SEELYE, D. D.	Amherst, Mass.
Rev. CHARLES M. MEAD, D. D.	Andover, Mass.
Rev. HENRY M. DEXTER, D. D.	Boston, Mass.
Rev. EDMUND K. ALDEN, D. D.	Boston, Mass.
Rev. ALEXANDER MCKENZIE, D. D.	Cambridge, Mass.
Rev. SAMUEL HARRIS, D. D.	New Haven, Conn.
Rev. GEORGE P. FISHER, D. D.	New Haven, Conn.
Rev. GEORGE L. WALKER, D. D.	Hartford, Conn.
Rev. WILLIAM S. KARR, D. D.	Hartford, Conn.
Prof. GEORGE T. LADD	Brunswick, Me.
Rev. SAMUEL P. LEEDS, D. D.	Hanover, N. H.
Rev. DAVID B. COE, D. D.	New York, N. Y.
Rev. WILLIAM M. TAYLOR, D. D.	New York, N. Y.
Rev. LYMAN ABBOTT, D. D.	Cornwall-on-the-Hudson, N. Y.
Rev. AUGUSTUS F. BEARD, D. D.	Syracuse, N. Y.
Rev. WILLIAM W. PATTON, D. D.	Washington, D. C.
Rev. JAMES H. FAIRCHILD, D. D.	Oberlin, O.
Rev. ISRAEL W. ANDREWS, D. D.	Marietta, O.
Rev. ZACHARY EDDY, D. D.	Detroit, Mich.
Rev. JAMES T. HYDE, D. D.	Chicago, Ill.
Rev. EDWARD P. GOODWIN, D. D.	Chicago, Ill.
Rev. ALDEN B. ROBBINS, D. D.	Muscatine, Ia.
Rev. CONSTANS L. GOODELL, D. D.	St. Louis, Mo.
Rev. RICHARD CORDLEY, D. D.	Emporia, Kan.
Rev. GEORGE MOOR, D. D.	Oakland, Cal.

In making the selection, different sections of the country have been drawn upon somewhat in proportion to the membership of the Congregationalist churches in each. The list embraces men who are understood to represent different shades of opinion while holding fast to the essential truths of the gospel. With a large proportion of pastors are joined representatives of theological seminaries and colleges, of the religious press and of the missionary work of our churches. Letters responding to these appointments indicate that those designated will enter on the work with interest and hopefulness, and that they will be able to co-operate in mutual respect and congeniality of spirit and aim for the important object contemplated.

It is understood that the Commission will choose its own chairman, determine for itself its organization and methods of procedure, fill vacancies that may occur in its number, and take whatever time may be requisite for consummating its work, reporting results directly to the churches through the press. It is presumed also that the necessary expenses of the Commission will be provided for by voluntary contributions from brethren in our churches.

Messrs. Abbott, Coe, and Taylor, of New York, are charged with the duty of calling the first meeting of the Commission at such time and place as they may agree upon.

In behalf of the Committee,

A. L. CHAPIN, *Chairman.*

* Committee to nominate a Committee of Twenty-five to prepare a Declaration of Faith.—Rev. Aaron L. Chapin, D. D., Beloit, Wis., *Chairman*; Rev. Charles D. Barrows, Lowell, Mass.; Rev. Stephen R. Dennen, D. D., New Haven, Conn.; Rev. Nathaniel A. Hyde, D. D., Indianapolis, Ind.; Rev. Frank P. Woodbury, Rockford, Ill.; David C. Bell, Minneapolis, Minn.; and Jonathan E. Sargent, LL. D., Concord, N. H.

NOTE. — Of the above, eight died before 1881, but it is hardly expedient to confuse the list and summaries by separate account. To those who are interested, the dates in each case will show the facts. There were in 1880, 86 deaths, and, as far as reported in 1881, 77 deaths.

The compiler renews his earnest request to friends and to the secretaries of the State bodies, for prompt information of the death of Congregational ministers, and for full and exact information on the model of the sketches above given. Obituary and eulogy beyond, it is impossible to use here.

OUR PRESENT FIELD, as reported in 1881, includes seventeen missions, carrying the gospel to the North American Dakota Indians, to Western Mexico, to the islands of the Pacific, to Spain and Austria, to European, Western, Central, and Eastern Turkey, to Western and Southern India, to Ceylon, to Southeastern and West Central Africa, to Southern and Northern China, and to Japan. This work includes direct evangelistic effort through missionaries and native helpers; an immense educational trust, extending from the primary school to the college and theological seminary; Sunday-school instruction; the preparation, publication, and circulation, in over twenty different languages, of books, tracts, and newspapers; assistance in the erection of buildings for churches and schools; grants in aid to feeble churches and to native home-missionary societies; the humane service of missionary physicians, sometimes in the care of large dispensaries and hospitals; also charitable ministry, continuous and varied, to the sick, the poor, and the oppressed. All these departments upon the foreign field are economically managed under one efficient and experienced administration.

OUR PRESENT FORCE, now occupying eight hundred and fourteen stations and out-stations, numbers but one hundred and fifty ordained missionaries—of whom five are physicians—and two hundred and forty-three assistant missionaries, making a total from this country of four hundred and fourteen. Our native force is more than four times this number, — a total of 1,717, of whom five hundred are native pastors and preachers.

OUR NATIVE CHURCHES, two hundred and seventy-two in number, not including those of the Hawaiian Islands, enroll 18,446 members, of which number 2,161 were received last year, and nearly 7,900 during the last four years, on confession of their faith in Christ.

OUR TRAINING AND THEOLOGICAL SCHOOLS, including station classes, fifty-one in number, are giving instruction to 1,468 young men, many of them fitting for the Christian ministry.

OUR GIRLS' SCHOOLS of the higher order, thirty-six in number, enroll over 1,400 pupils, many of them fitting to be teachers, many of them to be Christian wives and mothers, constituting the educational power of Christian homes for the next generation.

OUR COMMON SCHOOLS, seven hundred and ninety-one in number, enroll over 30,000 pupils, making a total of over 33,000 under Christian instruction.

REGULAR DONATIONS FROM THE CHURCHES, which during the past five years have averaged about \$350,000, including what was received through the woman's boards, need to advance about twenty-five per cent in order to meet the necessary appropriations. Upon these donations and upon ordinary legacies we must rely for the support of the regular work of the Board; the munificent Otis bequest having been sacredly set apart, and already very largely expended, for evangelistic and educational advance, and for new missions in Africa. May we hope for a contribution as generous as possible, not only from every church, but also from every individual who desires to be personally identified with this broad Christian work? Our main instrumental reliance for awakening and deepening missionary interest is upon pastors, sustained by their churches and Sunday schools.

MISSIONARY INTELLIGENCE. For missionary intelligence, read regularly our

The whole number of young men assisted by the Society in their studies for the ministry since 1816 is 6,892. The institutions at the West which have been assisted by the Society since 1843 are the following, viz.: Western Reserve, Illinois, Wabash, and Marietta Colleges, and Lane Theological Seminary. These five are the institutions which the Society took under its care at the beginning, in 1843. Those which have since been received on the list are Knox, Beloit, Thayer, Wittenberg, Oberlin, and Berea Colleges, the College of California, Pacific University, Olivet, Ripon, Iowa, Carleton, Doane, Drury, Washburn, and Colorado Colleges, and Pacific Theological Seminary.

The ten last named are still upon the Society's list.

The number of young men now receiving assistance from the Society is 269.

At the time when the Education Society began its work of helping young men into the Christian ministry in the year 1816, the condition of things in this country was very peculiar. The great movement of emigration toward the West was setting in with strength. The American Board had been organized a few years before, and the cause of Foreign Missions was taking strong hold upon the churches. But "the laborers were few." Ever since the close of the Revolutionary war, the churches had been in a confused and preoccupied state, and the number of men coming forward for the work of the ministry was alarmingly small. It was in such a state of things that this Society began its enterprise. Through the aid thus afforded, and through the impulses thus imparted, a host of living preachers was raised up to go with the moving colonies out into the fields of the West, or to go far hence to the Gentiles, to proclaim the Gospel of salvation through Jesus Christ. A work of inestimable importance for the Christianizing and civilizing of our own land was accomplished by this instrumentality. The ministers raised up by this Society became to a large extent the pioneers in the way of founding churches, schools, colleges throughout all those Western fields, while in foreign lands half the missionaries laboring under the care of the American Board had been brought forward in the same way.

THE AMERICAN CONGREGATIONAL ASSOCIATION

Was organized May 25, 1853, at Boston, and received its charter from the Massachusetts Legislature, April 12, 1854. Its present officers, in part, are:—

SAMUEL D. WARREN, Boston, *President*.

RUFUS S. FROST, Boston, *Chairman of Board of Directors*.

SAMUEL T. SNOW, Boston, *Treasurer*.

REV. ISAAC P. LANGWORTHY, D. D., Boston, *Corresponding Secretary and Librarian*.

REV. DANIEL P. NOYES, Wilmington, Mass., *Recording Secretary*.

MISS MARY E. STONE, Boston, *Assistant Librarian*.

The object of this Association is “to establish and perpetuate the religious history and literature of New England, and for the erection of a suitable building for the accommodation of the same, and for the use of charitable societies; also to do such acts as may promote the interest of Congregational churches,” etc.

Its library is intended for reference, having as its specialties everything published by the Pilgrims and Puritans, and their predecessors, contemporaries, and successors, which states or illustrates the principles and polity of Congregationalism, its history, its doctrine, its influence, and indeed the same things in regard to every denomination; thus everything ecclesiastical, — theology, controversy, results of councils, sermons, church manuals, minutes of religious bodies, *every one*; Year-Books, and all such like; also all local histories, county, State, and United States histories, genealogies, centennial, ordination, funeral, and all historical sermons, all commentaries on the Scriptures, every biography, national, State, and municipal statistics, printed reports of all kinds, catalogues, obituary records, and inaugurals of all our literary institutions, together with any manuscripts, autographs, or mementos which relate to the objects above named.

On the 20th of May, 1881, the library had 28,135 books — 6,133 of which were duplicates — and over 125,000 pamphlets, including duplicates, secured almost exclusively by gifts, as there has never been a dollar appropriated from the building fund with which to buy a book, nor can there be until the present onerous debt is greatly reduced. Duplicates furnish a basis for exchanges, for which the Librarian has large facilities, and of which he avails himself to the uttermost; and in this way he can assure all kindly disposed persons that they can send him no printed pamphlet or book that he cannot make useful here.

The Library has now more of the early publications of our country and of the mother country which illustrate the principles and relate the deeds of our first settlers than any other public library in the United States; but it is still lacking very much of this sort that is scattered here and there, essentially useless where it is, but would be invaluable here; also much more of the later and contemporaneous issues of the same general character found in every parish and town more or less. Now, let these be collected and sent here by some good friend in each church, as a few have already done.

THE AMERICAN CONGREGATIONAL ASSOCIATION

Was organized May 25, 1853, at Boston, and received its charter from the Massachusetts Legislature, April 12, 1854. Its present officers, in part, are:—

SAMUEL D. WARREN, Boston, *President*.

RUFUS S. FROST, Boston, *Chairman of Board of Directors*.

SAMUEL T. SNOW, Boston, *Treasurer*.

REV. ISAAC P. LANGWORTHY, D. D., Boston, *Corresponding Secretary and Librarian*.

REV. DANIEL P. NOYES, Wilmington, Mass., *Recording Secretary*.

MISS MARY E. STONE, Boston, *Assistant Librarian*.

The object of this Association is "to establish and perpetuate the religious history and literature of New England, and for the erection of a suitable building for the accommodation of the same, and for the use of charitable societies; also to do such acts as may promote the interest of Congregational churches," etc.

Its library is intended for reference, having as its specialties everything published by the Pilgrims and Puritans, and their predecessors, contemporaries, and successors, which states or illustrates the principles and polity of Congregationalism, its history, its doctrine, its influence, and indeed the same things in regard to every denomination; thus everything ecclesiastical,—theology, controversy, results of councils, sermons, church manuals, minutes of religious bodies, *every one*; Year-Books, and all such like; also all local histories, county, State, and United States histories, genealogies, centennial, ordination, funeral, and all historical sermons, all commentaries on the Scriptures, every biography, national, State, and municipal statistics, printed reports of all kinds, catalogues, obituary records, and inaugurals of all our literary institutions, together with any manuscripts, autographs, or mementos which relate to the objects above named.

On the 20th of May, 1881, the library had 28,135 books—6,133 of which were duplicates—and over 125,000 pamphlets, including duplicates, secured almost exclusively by gifts, as there has never been a dollar appropriated from the building fund with which to buy a book, nor can there be until the present onerous debt is greatly reduced. Duplicates furnish a basis for exchanges, for which the Librarian has large facilities, and of which he avails himself to the uttermost; and in this way he can assure all kindly disposed persons that they can send him no printed pamphlet or book that he cannot make useful here.

The Library has now more of the early publications of our country and of the mother country which illustrate the principles and relate the deeds of our first settlers than any other public library in the United States; but it is still lacking very much of this sort that is scattered here and there, essentially useless where it is, but would be invaluable here; also much more of the later and contemporaneous issues of the same general character found in every parish and town more or less. Now, let these be collected and sent here by some good friend in each church, as a few have already done.

The Congregational House is a four-story granite structure, one hundred and three feet on Beacon street, and ninety-three feet on Somerset street, having stores on lower floors on Beacon street, and rooms above for the A. B. C. F. M., the Woman's Board, the American College and Education Society, American Missionary Association, City Missionary Society, Woman's Home Missionary Society, Massachusetts Home Missionary Society, American Peace Society, the *Congregationalist*, etc. The fire-proof library room is in a connected building; accessible, light, pleasant, safe, and has capacity for more than 100,000 volumes.

The great WANT of this Association is the hearty sympathy and co-operation of every Congregationalist, expressed in "one fair contribution" from each of the more than 2,307 Congregational churches that have not made it; the gift of at least one dollar from every member, to be made a life member of the Association; the gift of the twenties, fifties, hundreds, and thousands from the more highly favored; testamentary gifts, if not earlier bestowed. Then this great property would be disencumbered, and all our strictly benevolent societies would be forever free from rent, thus insuring a good dividend to the cause of Christ upon every benefaction.

Let all remittances and communications be addressed to

ISAAC P. LANGWORTHY, *Cor. Secretary*, Boston, Mass.

THE AMERICAN CONGREGATIONAL UNION.

Incorporated, New York, June 11, 1853.

President. — Rev. EDWIN B. WEBB, D. D., Boston, Mass.

Corresponding Secretary. — Rev. L. HENRY COBB, D. D., 59 Bible House, New York city.

Treasurer. — N. A. CALKINS, 59 Bible House, New York city.

The American Congregational Union has for its chief end the aiding of feeble churches in the erection of houses of worship. It pays last bills, and in such a way as to stimulate the churches themselves to do their utmost. By its Trust Mortgage system it protects all grants from loss should the aided churches fail.

The Union has aided, or is aiding, in the erection of 1,231 Congregational sanctuaries, or nearly one half of all that now exist in the nation. Of this whole number, ninety-eight are in New England, one hundred and thirteen in the Middle States, and the rest are scattered throughout the great West. The fifty-seven grants made during the first half of the present fiscal year are located in eighteen different States and Territories, — Dakota taking the lead, — as follows: Arizona, Arkansas, California, Dakota Territory, Illinois, Indiana, Iowa, Kansas, Michigan, Minnesota, Missouri, Nebraska, Oregon, Pennsylvania, Texas, Utah, and Washington Territory. A majority of these churches have been organized inside of one year; and many of them are at important points, and are from five to one hundred and fifty miles from any other church edifice.

It has come to be a conceded fact that no church is established on a permanently assured basis that has not a house of worship. And yet very many of the Home Missionary churches in the great West are to-day houseless. This is true even in such States as Kansas and Nebraska. These houseless churches should build soon, and yet they cannot build without help from abroad. Their greatest need, say Home Missionary Superintendents, is sanctuaries, and homes for missionaries. As a rule, churches grow stronger from the time when they build; and the dedication of their houses of worship increases their strength every way.

Never has the demand for church building been anything like so great as it is now; and this partly because a fresh impulse has been given to Home Missionary enterprise in the new West, and partly because Home Missionaries, State Superintendents, and Home Missionary churches have come to realize that without sanctuaries the best work cannot be done.

The Congregational Union cannot do its work of saving Home Missionary churches, and very much of Home Missionary money and labor, from failure, with a less sum than \$100,000 per annum. That amount must be spent in church building, or the work of organizing churches and supporting missionaries will have to diminish rather than increase.

And besides, there are now eight or ten great strategic centres where it would be gross neglect of duty not to establish churches. Yet this cannot be done to the best advantage unless sanctuaries are built from the start; and because of the high price of land and other things, they must have each from \$1,500 to \$3,000 to insure success. The Union ought to be in a condition to take up such cases, and it must do it, and the means must be provided.

To secure this, let each church put the Congregational Union prominently on its list of benevolent contributions; and as the society has no agents to plead its cause, will not pastors see to it that their churches make up annually their quota of the \$100,000? and as so many do nothing, let those who see its importance do all the more.

While the building of houses of worship has taken the lead, most decidedly, as it should, the charter of the Union provides for, and recent appeals demand aid in building homes for the missionaries. In many cases it is impossible for the missionary to hire a house of any kind; he must buy or build. Where houses can be rented, they are uniformly very high. This additional cost of living necessitates an additional appropriation by the Home Missionary Society. Aid in building parsonages is therefore the plainest matter of missionary economy. A house costing \$500 to \$1,000 rents for \$15 to \$30 a month. By a simple loan plan this matter could be easily arranged. The Union will wait for funds for parsonages before beginning to build.

THE HOME MISSIONARY, a monthly magazine, published by the Society, at sixty cents a year, including postage, gives a running account of the progress of the work in all parts of the country, largely from the pens of the superintendents and missionaries personally engaged in it. An Annual Report sums up the results of the year.

THE LEAFLET, a monthly tract, price five dollars a hundred for the year, is devoted to the Sunday-school department of the Society's work.

For nearly fifty-six years the Society has been organizing churches, mainly in the West, and aiding in the support of their ministers till those churches are able to assume the whole expense. Its missionaries have from the first organized Sunday schools, provided proper teachers for them, and by watchful oversight have secured their permanence and highest usefulness. The Society now also raises and disburses money for supplying these missionary Sunday schools with libraries and other helps.

In connection with the labor of its missionaries, 4,153 churches have been organized, and 2,120 have come to self-support. It has collected and disbursed in cash nearly \$9,031,000, and in clothing, books, and other supplies, largely the offerings of Christian women, more than \$1,296,000; in all, \$10,327,000. The additions to the churches have been 303,290. Schools, academies, and colleges in nearly every Western State are among the direct fruits of the work.

The number of missionaries employed in its fifty-fifth year (1880-81) was 1,032, more than 650 of them in States and Territories west of New York. They preached regularly in 2,653 stations, and at frequent intervals in many hundreds more. The number of Sunday-school and Bible-class scholars was about 100,000. The additions to the churches were 5,922—2,962 of them on profession of faith. One hundred and thirty-one churches were organized, and sixty-seven came to self-support. Last year's receipts were, in cash, \$290,953.72; in supplies, \$57,988; in all, \$348,942.

At least \$350,000 in cash are needed this year to sustain the missionaries now in the field. To take up only such new work as the providence and Spirit of God imperatively call upon the Society to assume at once, \$50,000 more are imperatively required. In the first eight months of this fifty-sixth year, about fifty men have been sent to new fields at the front, where they are most needed, but where their support involves heavy outlay by the Society. For securing the means essential to the carrying on of this great work the Society depends, under God, on the zealous co-operation of the pastors and members of the Congregational churches of the land.

Since emancipation it has devoted its main efforts to preparing the FREEDMEN for their duties as citizens and Christians in America, and as missionaries in Africa. As closely related to this, it seeks to benefit the caste-persecuted CHINESE in America, and to co-operate with the government in its humane and Christian policy toward the INDIANS. It has also missions in AFRICA.

ITS CHARACTER AND AIM.—It is the Sunday-School and Publishing Society established by Congregational churches to aid their work.

It aims: First, To provide and furnish to pastors, teachers, and Sunday schools, aids to the study of the Bible, and all needful Sunday-school literature. Second, To systematize and give direction to Sunday-school movements, to increase enthusiasm among the churches in this important work, and to direct their charities toward establishing Sunday schools, and providing weak ones with such equipments as shall enable them to be efficient. Third, To provide and prepare general religious reading, and to distribute books and tracts among the destitute. Fourth, To set forth the history and explain the principles and polity of Congregational churches.

BUSINESS DEPARTMENT.—The Society publishes Sunday-school lesson-helps of four different grades: for teachers, senior, intermediate, and primary scholars. It issues two periodicals weekly, and other literature of different kinds, for Sunday schools. Careful examination of Sunday-school books, as fast as they are issued by different publishers, is made by a competent committee, and reports of results are printed. Valuable books and tracts on general religious subjects, as well as on matters of special interest to Congregationalists, are issued annually. Orders for any books, by whomsoever published, are promptly filled at the lowest rates.

The property of the business department consists mainly of about \$35,000 worth of plates, stock, and fixtures. It is in no sense a private enterprise. Its gains, after the payment of expenses, are the property of the churches, held in trust by the Board of Managers. It is in great need of a working capital, such as has been provided for the publishing houses of other denominations. The demands of Sunday schools, especially, make it imperatively necessary for the prosperity of Congregational churches that their Publishing House should be provided with a working capital sufficient to publish literature that will equip our Sunday schools with what they need for successful work. The Managers have felt compelled to issue urgent appeals for a fund of \$50,000, to be used as a business capital.

THE BENEVOLENT DEPARTMENT is entirely distinct from the business department. The latter is self-sustaining, though unable to do the work which, with a sufficient capital, it might do for good. If properly equipped, it would be able to do much benevolent work from the profits of business. By advice of the National Council, the Society has appointed a Sunday-school Secretary, to further the interests of the Sunday-school work as mentioned above. It has also, acting under the same advice, after conference with the A. H. M. S., resumed the work of aiding missionary Sunday schools, in which it has been engaged from its origin till the year 1876. It aided, during the year 1881, about 250 schools, mostly in the West and South. These schools have been mainly connected with the churches under the care of the A. H. M. S., the A. M. A., the New West Education Commission, and other benevolent Societies. This department sends books to Home Missionaries, furnishes religious reading for seamen, for hospitals, for City Missionaries to distribute among the poor, and for other charitable organizations. It is the peculiar province of this Society to furnish literature for these purposes. From newly formed schools at the West, from colored schools in the South, come urgent requests for libraries, charts, lesson-helps, papers, etc. No other source of help is open to them for these things. They will soon be the churches, and their present teaching will determine the spiritual type of those churches.

All benevolent contributions are used by the benevolent department for the charitable work here described. More and larger gifts are greatly needed. Contributions for this department may be sent to E. Lawrence Barnard, Treasurer. Correspondence concerning the business department should be directed to Geo. P. Smith; concerning the Sunday-school benevolent department, to Rev. A. E. Dunning.

The Commission has now under its charge five incorporated academies and eleven other schools, thirty-one teachers, and over one thousand pupils.

Three of its academies are in New Mexico, one is in Southern Colorado, and one in Salt Lake City. All its other schools are in Utah, where are the largest number of its scholars, among whom are many Mormons.

It assists both in providing school buildings and in sustaining teachers.

Its schools are decidedly Christian. The rate of its receipts and expenditures during its first two school years will be not far from \$25,000 yearly.

FOREIGN WORK. — This Board has under its care in the foreign field, eighty-nine missionaries and assistant missionaries, who superintend the work among women in its various departments, and sixty-seven Bible-readers, who go from house to house to read and teach the Scriptures; the number of women reached by nine of these in the city of Madura, India, alone is estimated at more than twenty thousand. The Board also supports twenty-seven boarding and high schools, besides the female department of Armenia College, and five homes for higher education, containing in all over one thousand pupils; and one hundred and fourteen village and day schools, with between two and three thousand pupils.

HOME DEPARTMENT OF WORK. — In this country there are connected with the Board twenty branch societies, each comprising not less than twenty auxiliaries and five conference associations, including a less number of societies. In these larger organizations there are between nine hundred and one thousand auxiliaries and more than six hundred mission circles among children and young people, making a total of over fifteen hundred organizations. The receipts for the year 1881, including a legacy of \$20,000, were \$119,958.56.

OUR AUXILIARIES.—We have over twenty-five so-called auxiliaries of older ladies, and about twenty of young people. Some of them can hardly be called "auxiliaries" in the strict sense of the term, because their funds are divided among other benevolent objects. But we have nearly fifty organizations which are interested in this work—fifty tributaries, very small though many of them are, to the treasury of our Board. Our work is especially dependent upon the faithful collecting of the mites—"the fragments, that nothing be lost."

Our appropriations for the past year were as follows: Mexico, for Mrs. Watkins, which includes her salary and school expenses, \$1,000; for the Broosa School-Building Fund, in accordance with our pledges, \$1,000; Miss Starkweather's salary, in part, the remainder being provided for at the East, \$300. Total, \$2,300.

The purpose of the Association is to enlist all the women of the Congregational churches in prayer and efforts for home missions, to acquire and diffuse the information needed, and to collect money and other gifts, by contributions, bequests, and otherwise, for the support of women as home missionaries and teachers, for the aid of home-missionary families, and for the promotion of the spiritual and temporal welfare of those among whom they labor, especially the women and children.

The Association supports five teachers in Utah and New Mexico, and six missionaries among the colored people and poor whites of the South. A former missionary is employed to present the cause of the Association to the churches.

The annual period of study is divided into three terms. The last term of the present Seminary year will commence on Monday, March 20, and continue till the Anniversary, Thursday, June 15, to be followed by a vacation of twelve weeks. The first term of the next Seminary year will begin on Thursday, September 7. The Lectures to all the classes begin promptly; it is therefore important that all the students should be present at the beginning of the Seminary year.

In addition to the regular instruction, courses of lectures are delivered by eminent clergymen on subjects of special importance in ministerial education. Familiar addresses are also given every year on practical questions relating to pastoral life by clergymen and others, invited by the students.

A Fourth Year has been established for advanced study. All the departments are represented in the instruction of this year, special attention being given to the higher and more difficult questions—whether philosophical, critical, or more immediately practical—which are engaging the attention of Christian scholars, pastors, and teachers. One aim of the year is the promotion of productive work on the part of students. The required lectures, therefore, are fewer than in the preceding years, and special facilities are afforded for private research and study. Provision will be made for a system of scholarships and fellowships. Admission to this course is by vote of the Faculty.

The Library now numbers more than 39,000 volumes, is constantly increased, and is open every week-day for the examination and drawing of books. The accession of the library of the late Professor Niedner, of Berlin, has proved to be of exceptional value. The Museum comprises a cabinet of minerals, objects relating to missionary life and work, a monumental slab from Nimroud, a relief model of Jerusalem, and a large and choice collection of Palestinian birds, animals, flowers, coins, inscriptions, photographs, etc. A well-furnished Gymnasium is open to the use of the students.

For information respecting Conditions of Membership, Course of Study, the Fourth Year, Expenses, and Beneficiary Aid, see Catalogue, which may be obtained by application to Prof. Egbert C. Smyth, President of the Faculty.

BANGOR THEOLOGICAL SEMINARY, BANGOR, ME.

This institution was chartered by the Legislature of Massachusetts in February, 1814, and was opened for students in October, 1816. It has been in constant service since, and has graduated several hundred pastors, missionaries, teachers, editors, and college presidents and professors.

FACULTY OF INSTRUCTION.

President and Professor Emeritus. — [REV. ENOCH POND, D. D.; died Jan. 21, 1882.]

Ecclesiastical History. — REV. LEVI L. PAINE, D. D.

Sacred Rhetoric. — REV. JOHN S. SEWALL, D. D.

Systematic Theology. — REV. LEWIS F. STEARNS, D. D.

Sacred Literature. — REV. CHARLES J. H. ROPES, A. M.

New Testament Greek. — REV. FRANCIS B. DENIO, A. M.

TERMS OF ADMISSION. — Bangor Seminary is open to all denominations of Christians. Candidates for admission must produce testimony of their church membership, and of their collegiate education. If they have not pursued a college course, they will be examined, and must exhibit mental training and attainments sufficient, in the judgment of the Faculty, to warrant their entering upon a course of theological study. Those whose age or circumstances forbid the pursuit of the complete course of study may, at the discretion of the Faculty, be admitted to the studies of the Middle year, and continue their course with the full privileges of the Seminary.

COURSE OF STUDY. — *Junior Year,* Hebrew Grammar, Principles of Interpretation, Exegesis of the Hebrew and Greek Scriptures; New Testament Greek; Introductory Philosophy, with text-book and lectures; Essays, and Lectures on Style and English Literature.

Middle Year, Systematic Theology; Ancient Church History; Exegetical studies continued; New Testament Greek continued; Vocal Culture and Oratory.

Senior Year, Mediæval and Modern Church History; Homiletics; Pastoral Theology and Church Polity; Exegetical studies continued; New Testament Greek continued.

The department of New Testament Greek has been added to the usual course in order to supplement the department of Exegesis by grammatical and lexical study of the language of the New Testament. It has been established not only for the benefit of those who have had a classical training, but also to provide instruction for those who enter the shorter course with only a rudimentary knowledge of the Greek.

SPECIAL LECTURES. — A course of practical addresses on pastoral subjects has been arranged for, and will be given during the current year by pastors selected for that service.

PREACHING. — As it is believed to be conducive to the best professional training to combine practice with theory, students are encouraged during the Senior year to preach as opportunity offers, and so far as they may without interfering with their Seminary duties. They usually take a license to preach at the close of the Middle year; and during the vacation are employed as missionaries of the Maine Missionary Society. Through the remainder of their course they are frequently called upon to supply vacant churches, or missionary outposts.

POST-GRADUATE SCHOLARSHIP. — A Scholarship of one thousand dollars has recently been given to Bowdoin College for the purpose of aiding any student who, after graduating at the Seminary, desires to take a post-graduate year at the College.

EXPENSES. — Each student is charged two dollars a year for incidental expenses. There is no other charge for tuition, room, furniture, library, or any privilege of the Seminary. The dormitory has been thoroughly repaired and refitted. The rooms are carpeted and furnished. The Washburn fund and some other funds were given expressly to aid members of the Seminary. The income of these funds will be distributed to those students whose circumstances require it, and will amount to about half the expense of board.

LIBRARY. — The Seminary has an excellent library, numbering between fifteen and sixteen thousand volumes, specially selected to meet the wants of the students. There is a permanent library fund of ten thousand dollars, with the income of which constant additions are made of the latest and most valuable literature.

The next Anniversary will occur on Wednesday, June 7, 1882.

The next Seminary year will open on Thursday, Sept. 14, 1882.

Suites of rooms have been furnished throughout by churches or individuals, whose names they bear. The only necessary expenses of the students are for board, fuel, gas, text-books, the care of rooms, washing, and for such especial damages as the property of the Seminary may suffer at their hands. Board can be had in private families in the neighborhood of the Seminary at about three dollars a week.

By its organization the Seminary is closely allied to the churches through the Pastoral Union, which annually elects the Trustees.

The plan of instruction is so arranged as to make the study of the Bible the chief feature of the entire course. The patrons, guardians, and teachers of the Institution are persuaded that an exegetical and experimental knowledge of the Divine Word should be sought first of all by candidates for the gospel ministry. They also believe that scholarly investigation, controlled and tempered by the spirit of truth, justifies unfaltering adherence to the doctrinal system set forth in the accredited formularies of New England Congregationalism. The effort is made to bring the several departments into such relations as shall give both scientific and vital unity to the course of instruction.

It is the aim of each Professor to strengthen, on the part of the students, the habit of personal investigation. Daily drills bring teachers and pupils into such close relations as favor mental activity and appropriate criticism, the purpose being to train as well as to teach, to illustrate correct methods while their results are presented.

TERMS OF ADMISSION. — Candidates for admission are expected to produce evidence that they are members of some Christian church, and that they have graduated at some college, or have made such literary acquisitions as, in the opinion of the Faculty, are an equivalent preparation for theological studies. They will be examined in reference to their personal piety and their motives in seeking the ministry.

Besides lectures on Congregationalism, Moot Councils are held, from time to time, for the purpose of making the student familiar with the principles and usages of our Church Polity.

EXPENSES. — No charge is made for tuition, room rent, or the use of the library. The rooms are supplied with necessary articles of furniture.

Arrangements for board, at a common table, are made by the Trustees.

The average cost of board has been \$3.50 a week. To defray this expense several scholarships have been endowed. Further assistance will be furnished towards defraying this expense, in proportion to the necessities of each student, at the discretion of the Faculty. Fuel and lights may be estimated at from \$10 to \$15 the year for each room. In addition, the American Education Society renders aid to the amount of from \$75 to \$100 annually. Students who are licensed have occasional opportunities to preach for compensation.

CALENDAR. — There is but one term of study in the year, which begins on the second Thursday of September, and closes on the second Thursday of May. Students have opportunity in the long vacation to engage in some form of Christian activity, from which they may derive religious advantages and practical knowledge, as well as pecuniary benefit.

Persons desiring to join the Seminary are invited to address Prof. WILLIAM THOMPSON, D. D., Dean of the Faculty, from whom they will receive any needed additional information.

 Rev. A. HASTINGS ROSS, Special Lecturer on Church Polity.

The Department of Theology is open for the admission of students of every denomination. Applicants must furnish satisfactory evidence of Christian character. A full collegiate education is regarded as furnishing a normal preparation for the course in Theology. Those who are not graduates of reputable colleges are required to furnish evidence of culture, in all essential points, fully equivalent to that which is given by a college course, and are admitted only upon careful examination in the ordinary collegiate branches. Upon the satisfactory completion of the regular three-years' course, the Academic Degree of Bachelor of Divinity (B. D.) is conferred.

COURSE OF STUDY.—*First Year.*—Hebrew, and Old-Testament Exegesis; Harmony of the Gospels, and Theology of the New Testament; Natural Theology; Evidences of Christianity; Authority and Inspiration of the Scriptures; and Introductory Lectures on the History of the Church.

Middle Year.—Systematic Theology; Hebrew Exegesis continued, and Literature of the Old Testament; introductory lectures on Homiletics; History of the Ancient Church; lectures on the Epistles.

Senior Year.—History of the Mediæval and Modern Church; History of Doctrine; Positive Institutions; Homiletics; written and extempore Sermons; Pastoral Theology; and lectures on the various forms of Scepticism.

LIBRARY.—The Libraries of the College contain over fifteen thousand volumes.

COUNCIL HALL, the building devoted exclusively to the Department of Theology, provides fully furnished rooms for fifty students. No expense is incurred for instruction, for the use of the libraries or of public rooms; and the students in Theology enjoy, without charge, the privileges of all the other departments of the College. The price of board is from \$2.00 to \$2.50 per week, or from \$72 to \$90 for the thirty-six weeks of the Theological year. Fuel and lights will not cost more than \$15. Add the charge of \$5.00 per term for the care of the building, and the entire necessary expenses of the year (not including clothing, travelling expenses, and books) need not exceed \$100.

Help is granted from scholarship funds contributed by friends of the Department and by the churches of the State, and from the American Education Society. The amount ordinarily received from both these sources does not vary much from \$150.

The opportunities for students to aid in meeting their expenses are sufficiently numerous. Some are employed as teachers in the Preparatory School connected with the College, and the amount received for teaching an hour each day exceeds the cost of board. Many vacant pulpits in the vicinity are supplied by theological students, for which compensation is rendered. During the summer vacation of fifteen weeks, all members of the Department may supply vacant pulpits in Home Missionary and other fields, and such opportunities are abundant.

The year of study in this Department consists of thirty-six weeks, in three terms. The anniversary occurs June 24, 1882. The next year begins Tuesday, Sept. 12, 1882.

PACIFIC THEOLOGICAL SEMINARY, OAKLAND, CAL.

Opened for service, June, 1869.

FACULTY.

Rev. JOSEPH A. BENTON, D. D., Professor of Sacred Literature, and (*pro tem.*) of Homiletics.

Rev. GEORGE MOOAR, D. D., Professor of Systematic Theology, and (*pro tem.*) of Ecclesiastical History.

Lectures are given frequently by leading pastors of the State.

REGULAR STUDIES. — *First Year.* Greek; Hebrew; Sacred Geography and Antiquities; Origin, History, Authority, Inspiration, and Canon of the Bible; Interpretation of the Scriptures; Religions of the World, other than the Christian; Natural Science; Mental and Moral Science.

Second Year. — Biblical Theology; Greek; Hebrew; Exercises in the Exposition of the Scriptures; Systematic Theology; History of Doctrines; Elocution.

Third Year. — Pastoral Theology; Church History; Church Polity; Homiletics; Elocution; Connection of Natural Science with Religion. [An exercise in Hebrew and Greek Exegesis once each week during the second and third year.]

SPECIAL STUDIES. — In special cases, particular and modified courses of instruction will be given to those who cannot remain three years, or who for other reasons cannot take the full course of three years; and these courses of instruction will be adapted to the necessities of each person, it being understood that every one of this class will continue his studies as long as practicable.

PREPARATORY STUDIES. — Young men who have not had the advantage of a collegiate course, and who are, for good reasons, debarred from the prospect of such a course, are enabled to pursue literary and scientific studies under the direction of the Professors in the Hopkins Academy, immediately associated with the Seminary. These preparatory studies will vary with the requirements of each student.

CALENDAR. — The year consists of but one term, and begins with the first of September and ends with the middle of May. There will be a recess from the 20th of December to the 3d of January. Students should begin promptly with the term.

TERMS OF ADMISSION. — Credible evidence of piety, membership in some evangelical church, a collegiate education, or such other literary and scientific attainments as promise a fair degree of usefulness, will entitle all young men to the advantages of this Seminary. The benefits of the institution are accorded alike to students of all denominations of Christians.

EXPENSES. — There will be no charge for tuition, rent of rooms, or use of furniture. The Trustees will, as far as practicable, furnish text books free to those who are in need, themselves being the judges of the necessity. Those who desire it can board on the premises at the rate of three dollars per week. Fifty cents additional will be charged for washing.

PECUNIARY AID. — The American Education Society will render aid to the pupils of this Seminary who are needy, who are college graduates, and who take the full course of three years. The amount bestowed will be, when possible, \$100 a year to each beneficiary. Three paying scholarships yield an average of about \$100 each per year to three beneficiaries.

An endeavor is continually made to provide for *all* the wants of every young man who wishes to take the full course of study, and every such person is urged to come to the Seminary whether he has any means of his own or not. It is believed that the necessary expenses of a Theological School are less here than anywhere else in the land.

RELATION TO THE UNIVERSITY.—The Divinity School is one of the Departments of Yale College. Its members receive from the Corporation, on completing their three years' course of study, the degree of B. D. They have access to the public collections of the University, such as the Library, the Peabody Museum, and the collection of paintings and statuary in the School of the Fine Arts. They are permitted to attend, free of expense, so far as will not conflict with their professional studies, the lectures and recitations in the College and the Sheffield Scientific School, and, if expecting to become foreign missionaries, those of the Medical Department.

COURSE OF STUDY.—The first year is devoted chiefly to the Exegesis of the Hebrew and Greek Scriptures; the second year to Systematic Theology and Church History; the third year to Sacred Rhetoric, the History of Christian Doctrine, and Church Polity. Additional lectures on Preaching and other important subjects are delivered before all the classes by eminent ministers and scholars in this country and Europe. There are also optional classes conducted by the Professors, in New Testament Introduction, German, Syriac, and Chaldee. Once a week, there is a rhetorical exercise for all the classes. Instruction in vocal culture and elocution is continued through the entire course.

GRADUATE OR FOURTH YEAR CLASS.—Students who have completed a three years' course of theological study, here or elsewhere, are admitted, on application to the Graduate Class, established two years since, in which advanced studies in Theology are pursued under the direction of the Professors.

THE LIBRARIES of the University, to which the students have access, including the Reference Library of the Divinity School, contain 120,000 volumes.

THE HOOKER FELLOWSHIP, for the encouragement of further theological study in this country or abroad, the income of which is \$700 a year for two years after graduation, is offered to the class entering in September, 1882.

EXPENSES.—There is no charge for instruction, use of libraries, or room rent. The rooms, which will accommodate 150 students, are designed in general for only one occupant. Each room has a bedroom attached, and is carpeted and furnished with all needful furniture except bedclothing. The chief expenses for the session are for board, an average of \$3.20 a week, fuel and light, \$25 to \$30, and \$10 a year for care of room and incidental expenses.

SCHOLARSHIP FUNDS AND OTHER AIDS.—Students whose circumstances require it are aided to the amount of \$100 a year, from the income of scholarship funds. Additional aid to the amount of \$75 to \$100 is afforded by the American Educational Society to its beneficiaries.

COMMENCEMENT OF THE TERM.—The next annual term of study will begin on Thursday, Sept. 14, 1882, and continue till the third Thursday in May, when the vacation of four months, in which the students have the opportunity to engage in some form of remunerative labor, will commence.

APPLICATION FOR ADMISSION.—The Seminary is open on equal terms to students of all Christian denominations. Applications for admission, or for the annual Catalogue containing further information, may be made to any member of the Faculty, or to the Secretary.

* A dash in the column of colleges implies that the student has never been connected with any college; the name of a college followed by a dash in place of year, implies that the student was connected with that college, but did not complete the course. An interrogation point in the place of year of graduation implies that the person is a graduate, but we do not know the year; this is found only in the Yale seminary list, the only one which does not give this information. A more precise list of the colleges and universities is on page 76.

† "Sen." means Senior. "Mid." Middle. "Jun." Junior. "Sp." means Special Course; and when followed by "S.," "M.," or "J." means Special Course Senior, and the like. "R. L." means Resident Licentiate, "Grad." means Graduate or Advanced Class.

COLLEGE EDUCATION OF THE UNDER-GRADUATE STUDENTS.

In this table, a number in parentheses denotes that that number, although once connected with the college mentioned, did not complete the course. The figures not in parentheses denote graduates of the college mentioned. In these columns of figures, blanks are left instead of ciphers, so that the figures may be more noticeable, and the blanks always denote ciphers.

THE ANNUAL STATISTICS OF THE CHURCHES AND MINISTERS.

THE following pages contain the statistics as collected in 1881 by the statistical secretaries of the several State organizations, and compiled for this publication by the secretary of the National Council, under vote of the publishing committee appointed by the Council.

The secretary, as heretofore, in no case presumes to insert or omit the name of church or minister on any authority but that of the State secretaries, representing their own organizations, or of Councils subsequent to the date of annual reports.

The contents of the statistics are as follows:—

1. The Statistics of the Churches and Pastors, by States.
2. List of Foreign Missionaries, arranged by Missions.
3. List of Ministers without Pastoral Charge, by States.
4. General Summary Tables for the year.
5. Tables of Summaries, 1858-1882.
6. Remarks upon the Statistics.
7. The National, State, and local Organizations of the Churches; with Officers, and dates of sessions in 1882.
8. Alphabetical List of Ministers, with P. O. address, and indexed to pages.
9. Alphabetical List of Licentiates.

RULES OF COMPILATION.

1. To arrange in alphabetical order everything capable of it; except that the churches in any one town or city are placed according to age.
2. To make each State list to conform strictly to the *State boundaries*. Churches or ministers reported by the Association of a State other than their own are, therefore, transferred to their proper places; and the summaries are correspondingly corrected.
3. To make *new tables* each year. "Last year's report" (if known to be such) is always omitted. No allowance is made for the membership of any non-reporting church or Sunday school, except such as is made by the State secretaries, who are the proper judges of its propriety. The list of churches of this year is compared, name by name, with that of last year, and all variations are specifically mentioned with the State summary, so that each church can be traced from year to year.
4. To examine carefully all the tables, with a view to *correction or addition* by correspondence, especially to correct "pastoral supply" to the latest moment. Proof-sheets have been sent to all the secretaries and some Home Mission superintendents who could be reached in season. But no such changes have been allowed to affect the summaries.
5. To *complete* the statistics by (1) giving in some form every statistical fact obtainable, — items given by some States, but not by all, being aggregated

with the respective State Summaries; and (2) putting into finished State and general summaries, with "totals" in all cases, everything capable of it; so that no person in search of any statistical fact shall be obliged to perform any arithmetical calculation to find it.

MINOR EXPLANATIONS.

1. Any church given in brackets is one organized since the date of State report; not included in the summary, but inserted for information. A few churches temporarily not associated are inserted by their own wish.

2. Installed pastors are marked "*p*," or "*i*"; others in service are not marked. Blanks in the column of pastoral supply, meaning *no* regularly engaged minister, are left blank for the convenience of those who note pastoral changes.

3. Post-office addresses of ministers in pastoral service are not found in the tables of churches, but in the General Alphabetical List of Ministers.

4. The two columns following the names of ministers in the tables of churches denote (1) the year of ordination, (2) the year when the minister was installed, or commenced service with that church.

5. A star (*) prefixed to the name of a minister in pastoral service, not installed, implies that he is not a member of any organization of churches or ministers in *that State*; but not many States so designate in the *tables*. A star similarly prefixed in the General Alphabetical List of Ministers denotes that he is found in the original State alphabetical list, but is reported not to be a member of *any* such organization in the United States; or that he is found supplying some church, but is not in the State alphabetical list.

6. Licentiates are not reckoned as ministers. Churches supplied by such, or by ministers of other denominations, are reckoned as vacant; but the number of such churches is given in each State summary. No ministers of other denominations (if so known) are inserted in the General Alphabetical List. Some ministers belong to the two denominations at once.

7. The names of some Congregational ministers are, doubtless, missing; but it is solely because they are not reported by any organization of churches or ministers.

8. Under "Church Members," "Absent" are included in "Males," "Females," and "Total." "Additions," "Removals," and "Baptisms" cover the twelve months next preceding the date of report given with the name of each State.

9. Blanks in any column of figures are such as were so left in the State Minutes. They ought always to signify "no report," but some States do not follow the proper rule of inserting a cipher where "none" is meant, and the examiner must conjecture, in any given case, whether "none" or "no report" is intended. In our General Summaries, a blank invariably signifies "no report."

10. A vigorous effort has been made this year to give, with the name of a church, its *post-office address* if it be different from the name of place given. The effort is greatly, but not entirely successful. It will be tried again next year.

The churches reported as connected with the STATE ASSOCIATION OF CHRISTIAN CHURCHES AND MINISTERS have furnished no reports for several years, and this year the clerk fails to answer in any way. Last year his reply disclaimed particular Congregational connection, but the churches were inserted for that time. Ceasing to report, in addition to the reply of last year, leaves the compiler unable to claim them as Congregational churches. These churches were: — Berea, Big Hill (Clover Bottom p. o.), Cabin Creek, Camp Nelson, Hillsdale (German town p. o.) and Williamsburg.

Loss of members in Kentucky, 356. Loss in Sabbath Schools, 373. No report of Benevolent Contributions last year. For Home Expenditures this year, \$1,000.00. Newport is connected with OHIO.

ORGANIZATION: as above. No State organization.

There have been printed hitherto the names of some Welsh churches in Pennsylvania, supposed to be organized into two associations. Most of their membership has doubtless been a matter

of mere estimate by those giving any such reports. No figures were given from any church for the Year-Books of 1880 and 1881; for that of 1879, none from the Western Association, and for that of 1879, only two columns from 24 out of 41 churches supposed to exist in the Eastern Association. For the present year, letters marked "to be returned," etc., have failed to secure any reply, even as to the existence of any association or church. The compiler cannot swell the list upon mere conjecture, and therefore does not continue those in the summary. The names thus dropped are as follows, — the first-named nine having been in the Western Association, the remainder in the Eastern Association: —

Birmingham, Brady's Bend, Ebensburg, Ebensburg North, Ebensburg South, Houtzdale, Irwin Station, Johnstown, Pittsburgh, Antrim, Ashland, Audenried, Bangor West, Bangor East, Beaver Meadow, Blossburg, Bradford, Carbondale, Carbon Run, Charlestown, Coaldale, Danville, Drifton, Dundaff, Hyde Park, Jeansville, Jermyn, Kingston, Lansford, Mahanoy, Miners, Minersville, Morris Run, Mount Carmel, Nanticoke, Olyphant, Parsons, Pitsston, Plymouth, Pottsville, Providence, Shamokin, Shenandoah, Slatington, Spring Brook, St. Clair, Tamaqua, Taylorville, Valley, Wanamie, Wilkesbarre.

Should any of these churches (if they are such) be found to exist, they can be readily reported; and the Pennsylvania Welsh statistics can be rebuilt on a sound foundation.

* This list is made from the reports of the several State organizations, and is supposed to include only members of some organization of ministers or churches. A few not members (but inserted on authority from the States) are starred. Not a few names are of persons removing from one place of labor to another not reported. The figures against names denote the year of ordination, which some States do not furnish. The (contracted) name of a State (in brackets) against any person's name denotes that he is reported by such State and not by the one where he resides.

NOTE.—1. The Foreign Missionaries are not included in the "total ministers."

2. Most of the churches "not supplied" have regular public worship, but no one minister engaged for continuous service. Many are in the interval between pastorates.

3. Most of the "acting pastors" are practically the same as "pastors," the difference being in the omission of formal installation.

4. The number of ministers "not in pastoral work" includes (with a few authorized exceptions) only those who are members of some Association or Conference. The number this year is taken from the result after revising the tables as to pastoral supply. When persons not thus members cease to be in pastoral service, they necessarily cease to be reported.

5. Blanks signify "no report."

NOTES.—1. The "total" church members above, in several States, and therefore in the general total, exceeds the sum of "males" and "females," because some churches report the total without mentioning the particulars whose sum makes it; but the relative proportion is not affected.

2. "Absent" denotes persons who live at a place other than that of their church relation, and do not worship with their church.

3. The removals by "discipline" sometimes include the number of persons whose names are dropped from the church lists on account of long absence.

4. The churches making no reports are included in the Summaries; a past report of membership is included if so done by the State reports, but no estimate is made of "additions," etc.

5. Blanks in the above table denote "no report."

6. Arkansas is inserted for the first time.

NOTES.—1. The distinction is made between contributions for benevolent purposes and moneys raised for any home expenses. For instance, money given to the general Sabbath School cause is benevolent; money expended by a church in supporting its own Sabbath School is a home expenditure, as much as a pastor's salary.

2. The amount of Home Expenditure does not mean all that is spent in a given place, but solely what is raised by a church itself, exclusive of all outside aid.

3. The amounts reported above for the *specific* objects of benev-

olence are such as are reported (and added up) by the State organizations, and are below the facts. They are inserted as indicating proportions, but are not worth adding up. It should be noted that in some States the sums were amounts contributed to a particular society; in others, for causes represented by that society,—a distinction which we cannot preserve this year. Some States so group objects that some items cannot be distinguished.

4. It will be seen that the reports are very imperfect. Only 2,964 report "Benevolent Contributions," and only 1,908 report their "Home Expenditures."

NOTE.— But few States reported the items for this important table. The ordinations, etc., are therefore compiled from preceding lists.

Lists of new and dropped churches are given with the Summary of each State.

The gains marked "a" above are only gain in reports, being gain over "no report" last year. The losses marked "b" are similarly, loss by such as reported last year, but make no report this year.

Blanks signify no report, and our necessary ignorance.

The total of MEMBERS is greater than the sum of males and females, and total additions and removals are sometimes greater than the sum of particulars, because totals are sometimes reported

alone. The proportion of males and females is, however, correct. "Absent" are included in males, females, and total.

As to "Contributions" and "Home Expenditures," in this table, it will be seen that it is more an exhibit of the number of churches reporting than of totals raised. Before the issue of 1867,

one half of the churches did not report either item; many States did not have the item in their schedules.

It will be seen that the number of *churches* increases by 59 net. This is notwithstanding the dropping of 51 Welsh churches in Pennsylvania, from whom it has become useless to hope for reports. Some of them will report by and by. Six churches in Kentucky are dropped for the same reason.

The number of *church members* is 2,635 less than last year. There would have been an increase, instead of loss, but for dropping the old estimate of more than 4,000 in the Pennsylvania Welsh churches. Still it has not been a year of special gain, inasmuch as the number of *additions by profession* were less than in the preceding year, and less than in any year since that printed in January, 1867. The number of *deaths*, on the other hand, is the largest ever reported, but only the average percentage, being this year .0147.

Sabbath Schools continue the increase which has been uninterrupted for the past sixteen years.

Only 2,964 churches report *benevolent contributions*, but this is the largest number ever reporting. The *amount* shows an increase greater than the number of additional churches would average. The 840 churches not reporting would not have increased the amount in proportion to their number.

Home Expenditures show a large apparent decrease; but it is only in appearance. Connecticut and New Hampshire made no report of this item; the two having reported in the previous year \$774,640.79, and doubtless raised as much this year. The States reporting in both years show an *increase* of \$134,034.78. Besides these two States (Connecticut and New Hampshire), 1,411 churches failed to report, including the whole of New York and Vermont. A fair average, therefore, would make the total of home expenditures exceed \$5,700,000.

A few inaccuracies of some summaries of particular States, caused mostly by trusting some reports, are corrected in these general summaries, the general summaries being reliable.

Much effort has been spent this year in obtaining *post-office addresses of churches*, but much more needs to be done. See Ohio for a brilliant example of the success of its secretary.

LIST OF CONGREGATIONAL MINISTERS IN THE UNITED STATES

REPORTED BY THE SEVERAL STATE ORGANIZATIONS.

THE following is a compilation of the alphabetical lists furnished by the State Associations and Conferences, corrected by correspondence with their secretaries, to the latest possible date. The secretary of the Council in no case presumes to insert or omit a name upon his own responsibility. The State organizations (or later Councils) are alone responsible; but the secretary has used his utmost endeavors to obtain a complete and correct list. If any names are omitted, it is because they are not reported by any organization in any State.

The figures refer to pages where the name will be found, but apply only to those in pastoral service or to foreign missionaries. Those without figures are presumed to be not in pastoral service, and will be found in the alphabetical list commencing on page 198. In cases the page is left, as in tables, when the post-office is changed since the latter were put to press.

Names starred (*) are of persons who, although mentioned (usually as supplying churches), are reported to be members of no organization of Congregational churches or ministers.

Some post-office addresses are antiquated; but it is the best that could be done.

Licentiates are not included in this list, nor are ministers of other denominations.

A list of licentiates is on page 265.

Names of persons in last year's list, deceased since the issue of 1881, are retained, with date of death, and with place of residence as given in 1881.

Some errors will be found in first names, initials, and spelling. No pains have been spared to secure accuracy; but efforts failing, the compiler has not ventured to follow even his own convictions, against the unmistakable testimony of the reports.

Names differing only in use of final "e," as Clark, Clarke, are treated as one name, but spelled according to report.

The compiler again earnestly begs the State secretaries to give the *first name* of every minister. A few States exclude them almost entirely. Great labor has been necessary this year to remedy such neglect.

Letters for our missionaries will be addressed to the care of society mentioned with the name, such societies (initials) being (as are all foreign addresses) in italics.

LIST OF LICENTIATES REPORTED.

THIS list contains the names of those apparently *reported as under care*, with references to the pages where any such are mentioned as supplying churches. It includes also some names starred (*), which denotes that these persons, while reported as supplying churches, are not reported to be approbated by, or under the care of, any Congregational organization.

Further, 1. This list does not agree with the number given in State Minutes, because all ordained since the lists were reported are here dropped. 2. The post-office addresses are often delusive, the place being that of temporary service only. 3. Names followed by State only, are of persons approved in the State mentioned, no residence being reported. 4. The list is incomplete, because some States make no full report of Licentiates. 5. The contracted name of a State, in brackets, means that the name was reported by that State, although the person resides in another State.

THE SPIRITUAL SONGS SERIES

OF HYMN AND TUNE BOOKS.

BY REV. CHARLES S. ROBINSON, D. D.,

AUTHOR OF "SONGS FOR THE SANCTUARY," ETC.

THE SPIRITUAL SONGS SERIES consists of three hymn and tune books, each entirely independent of the others, yet together constituting a perfect equipment for the song services of the church, the prayer meeting, and the Sunday school. The series is the culmination of the hymn and tune book work of Rev. CHARLES S. ROBINSON, D. D. It consists of the following :—

"SPIRITUAL SONGS FOR CHURCH AND CHOIR,"

A book of 1,086 hymns and 509 tunes. According to the prediction of the *Congregationalist* and other authorities, this work has taken its place as the leading hymn and tune book among Congregational and Presbyterian churches in America. Editions are prepared with a Psalter and with Selections for Responsive Readings.

"SPIRITUAL SONGS FOR SOCIAL WORSHIP,"

An abridgment of the above, containing half as many hymns and tunes. "It is the best book of the kind I know of."—*Pastor First Cong. Church, Newark, N. J.*

On every hand it has received unqualified and enthusiastic commendation, and it has been proved the best book for prayer-meetings yet issued. Containing hymns for the ordinances, and sold at such a low price, it has been found most excellent for smaller churches, and is already quite generally used by such throughout the West. The publishers desire that it shall still further supplant the ephemeral songs which of late years have found their way into the prayer-meeting, and have therefore reduced the price, in quantities, to churches, to

50 CENTS PER COPY.

Editions of this book also are prepared with Psalter and Responsive Readings.

Sample copies of the above books, for examination, are gladly sent to pastors and church committees, to be returned without charge if not adopted. Price lists and circulars containing hundreds of testimonials sent on application to the publishers.

The following is a list of some of the

The third and last issued book of the series is

"SPIRITUAL SONGS FOR THE SUNDAY SCHOOL,"

Than which no better book for the purpose has been, nor seemingly can be issued.

As has been well said, "It is *the* book long desired to furnish a more devotional and spiritual worship for the Sunday school. Its use must result in a truer idea of religion, a more rational religious fervor, and a deeper and purer Christianity."

The *Providence Press* declares, "It marks the opening of "

"A NEW ERA IN SUNDAY-SCHOOL SONG."

The *Examiner and Chronicle* says, "Any school about to adopt a new book would make a mistake not to examine a copy before making a decision."

An edition has recently been issued containing the **HYMNS ONLY**, bound in cloth, and selling at 20 cents in quantities. The complete edition, with tunes (bound in a style heretofore unknown among works of its class), costs to Sunday schools 40 cents. A sample copy of the latter sent to any address for 25 cents, and of the hymn edition for 15 cents.

"We have now 'Spiritual Songs' in our church, prayer-meeting, and Sunday school, and we like them in each place. Our Session gives to the whole series its unqualified approval."

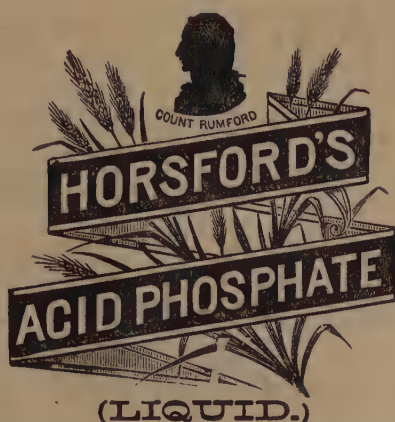

Rev. JAMES MCLEOD,

Pastor Central Presbyterian Church, Buffalo, N. Y.

MORE THAN A QUARTER OF A MILLION COPIES

Of the books of this series have been issued.

THE CENTURY CO., Union Square, New York City, N. Y.

Especially recommended for Mental and Physical Exhaustion, Dyspepsia, Indigestion, Headache, Wakefulness, Nervousness, Impaired Vitality, Gravel and Diabetes, Seasickness, etc. Prepared according to the directions of Prof. E. N. Horsford, of Cambridge, Mass.

This is a preparation of the phosphates of lime, magnesia, potash, and iron with phosphoric acid, in such form as to be readily assimilated by the system.

It affords nourishment to the cerebral and nervous systems; restores to their normal condition deranged secretory organs; gives vigor and renewed strength to the human system when deranged by overwork. It makes a delicious drink with water and sugar only.

Prof. ADOLPH OTT, New York, Editor of the Department of Physics, Chemistry, and Technology, of the German-American Cyclopædia, says:—

“The statements made by others as to the effects of Horsford's Acid Phosphate on the nervous system and the brain, I fully confirm. Some months I have been enabled to devote myself to hard mental labor, from shortly after breakfast till a late hour in the evening, without experiencing the slightest relaxation, and I would now at no rate dispense with it.”

C. C. OLMSTEAD, M. D., of Milwaukee, Wisconsin, says:—

“I have used Horsford's Acid Phosphate in my practice, ten years, and consider it a valuable nerve tonic, especially adapted to persons who are debilitated from mental labors. I use several bottles in my family, annually, as ‘lemonade.’ I prize it highly.”

WILLIAM P. CLOTHIER, M. D., of Buffalo, N. Y., says:—

“I prescribed your Horsford's Acid Phosphate for a hard student, for wakefulness, extreme nervousness, etc., and he reports it has been of great benefit to him; also, I know where it has been beneficial in sick headache and nervous prostration.”

A pamphlet giving further particulars mailed free on application to the manufacturers.

We value them for their stimulating and inspiring effect on their hearers, and for the high ideal which they hold up. We hope that . . . they will have a wider usefulness, not only among students preparing for the ministry, but among preachers of the Gospel in all the churches." — *Letter from the Faculty, Theological School, Yale College*: Profs. "The Gem of BIBLES"

— IS —

The "OXFORD."

Sunday-School Superintendents, Teachers, and all other Students of the Bible would do well, before making their selections, to read this:—

The SUNDAY SCHOOL TIMES says,

"The demand for good editions of the Bible with fitting helps to its study is on the increase among Sunday-school teachers; and the effort to meet this demand promotes a healthful competition among publishing houses. It has not been easy at all times to decide in favor of any one edition above all others; hence such a request as the following— from a correspondent in Tennessee— could not have answered by us with positiveness until a few months ago. He says:—

THE QUESTION.

"I desire you to tell me which is the best Teachers' Bible among the kinds advertised. I want the best Bible for Teachers."

The Best.

THE "OXFORD"
 Sunday School Teachers'
 BIBLE.

THE

Cheapest.

THE ANSWER.

"We have no hesitation in saying that, all things considered, the OXFORD TEACHERS' BIBLES are better for the Sunday-school teacher than any other with which we are familiar."

✎ The *Sunday School Times*, of Sept. 25, 1880, in reviewing and comparing the various editions of TEACHERS' BIBLES now offered, further says:—

"All things considered, we prefer the OXFORD TEACHERS' BIBLES to the London, and it is between these two that the choice is commonly to be made. The range of editions and prices of the OXFORD is as large as any. The paper and printing are better than the London. The binding leaves nothing to be desired. The main helps of concordance and index, taken together, are an improvement on the London. The various other helps which are likely to be of most practical service to the average teacher are more compact, and better arranged for their purpose, than the corresponding material in the London."

PRESIDENT GARFIELD AND EDUCATION. By B. A. HINSDALE, President of Hiram College. 1 vol., 12mo, 400 pages, with steel portraits of Gen. Garfield, Mrs. Garfield, and Miss Booth, and other illustrations, \$1.50.

The choicest memorial of the martyred President, prepared by his intimate friend, under the approval of Mrs. Garfield; 100 pages devoted to an account of his life and acts at Hiram (his home for twenty-four years) and at Williams College; and 300 pages of his scholarly and learned addresses on education, science, and culture.

"Mrs. Garfield looks with great favor upon the publication, and believes that no work would have given her husband more pleasure or touched his heart so deeply; for she, with him, loved the college where first they met, and where they always seemed, in a certain sense, to belong. One may almost consider Garfield in the light of author of this book. This memorial is the one that will appeal most strongly to cultivated men and to all educators. Portraits of Gen. and Mrs. Garfield, selected by the latter, are to be pleasant features of this memorial."—*Newport News*.

EVENTS AND EPOCHS IN RELIGIOUS HISTORY. By JAMES FREEMAN CLARKE. 1 vol., crown 8vo, illustrated, \$3.00.

CONTENTS:—The Catacombs, as Cemeteries and as Martyrs' Retreats; The Catacombs, their Sanctity, Art, and Epitaphs; The Buddhist Monks of Central Asia; the Christian Monks and Monastic Life; Augustine, Anselm, Bernard, and their times; Jeanne d'Arc's Visions, Victories, and Death; Savonarola and the Renaissance; Luther and the Reformation; Loyola and the Jesuits; The Mystics in all Religions—Neo-Platonists, German Pietists, Fenelon, Swedenborg, Emerson; George Fox and the Quakers; The Huguenots, Waldenses, Albigenses; John Wesley and his times—The Moravians and Methodists.

"Dr. Clarke follows the course of history by the light its great luminous souls have thrown upon it . . . in a style at once singularly attractive, clear, and eloquent."—*Boston Advertiser*.

RALPH WALDO EMERSON. His Life, Writings, and Philosophy. By GEORGE WILLIS COOKE. 1 vol., 12mo, with fine portrait of Mr. Emerson, \$2.00.

"As a volume of selections from the rich mass of Emerson's writings, and a commentary on some of his traits, it is highly valuable; more so than any book that we have seen."—*Literary World*.

"His plan is perhaps the best that could have been adopted. A mere thread of personal biography runs through the chapters, and along this is strung the history of Emerson's writings and addresses, including not only those which have been reprinted in book form, but a great many other pieces which are not to be found in the collected works and are almost unknown to the present generation."—*New York Tribune*.

"The religiousness of Emerson and his ethical grandeur shine forth in this volume upon almost every page."—*Christian Register*.

CATARRH

IS A TERRIBLE DISEASE.

Its fearful effects,—corruption running down the throat, weak eyes, deafness, loss of voice, loss of smell, disgusting odors, nasal deformities, and finally consumption. From first to last it is ever aggressive. Ordinary treatments are worse than useless. If neglected while a cure is possible, may rapidly develop into quick consumption. The most thorough, successful, and pleasant treatment is

Dr. Case's Circular contains flattering testimonials from a great many well-known persons. One or two are quoted below:—

One of the Largest Drug Houses in the World is that of Lamar, Rankin & Lamar.

ATLANTA, GA., Feb. 21, 1881.

DR. CASE:—The Inhaler I bought of you some time ago has done my mother a world of good, and she would not part with it for anything. I shall at all times recommend it to all who are suffering.

I am, sir, your obedient servant,

ROBT. M. ORMOND,

Dear Doctor,—Your methods of treating Catarrh and Consumption are certainly very effectual. In hemorrhages of the lungs, I have never found a remedy that equals your Carbolate of Tar Inhalant. So-called "hopeless cases" need not despair. Your success is well earned. Long may you live to enjoy it!

C. H. CASS, M. D.

Mr. Probasco, of Bridgeton, N. J., says:

Myself and family have derived great benefit from your treatments. My second daughter we had almost given up as hopeless, is now well and hearty.

We call attention to the advertisement of Dr. M. W. Case, in our advertising columns. The doctor is a brother of Rev. W. W. Case, formerly a member of the Wisconsin Conference of the M. E. Church, and three years pastor of the Ausbury Church, in Milwaukee. The doctor has treated Catarrh and diseases of the Lungs and Nervous System for thirty years, and has fine success in his treatment, as his numerous patients all over the country can testify. The Religious Herald

Has been during its forty years' existence a potent instrument in promoting the interests of Zion in our State, in our Country, and in the World. The interests of righteousness, good morals, good government, and good order have been cheerfully sustained. Ministers and laymen have enriched its columns with their best thoughts, and they were never more ready to do so than now. The paper will be a safe and valuable aid in the family to an intelligent, practical knowledge of the world and how to live in it. It will urge the claims of religion upon all, not forgetting the little children, and will discuss the practical questions of the day with candor, advocating temperance, speaking freely on all subjects, literary, civil, social, financial, or educational, and aiming to speak wisely. It will seek to be useful to all whom it can reach.

We have an especial love for the old historic churches commonly called Congregational, but shall rejoice to be co-workers with all who love our Lord Jesus Christ, and seek to bless and save men. The benevolent societies will be more or less fully represented through the columns of the RELIGIOUS HERALD.

SONGS OF CHRISTIAN PRAISE.

A New Hymn and Tune Book

FOR

CHOIR AND CONGREGATION.

PUBLISHED WITH AND WITHOUT

SCRIPTURE SELECTIONS FOR RESPONSIVE READINGS.

Edited by the Rev. Charles H. Richards.

A compilation of the choicest devotional hymns in the language, with over four hundred of the richest and best old and new tunes, among which will be found an unusually large proportion of the best tunes of English and German composers. It is pronounced by the highest authorities to be the best selection of hymns and tunes for congregational worship ever offered to the churches, and is believed to be the cheapest book of its kind published. It is already in use in leading churches throughout the country, and the reports that come to us from pastors who have introduced it are unanimous and enthusiastic in its praise. From the multitude of testimonials which have been received, the following are selected as representative of all:—

From the Congregationalist, Boston.

It has been compiled with a discriminating wisdom and taste, and edited with a thoroughness, which are uncommon.

From the New York Observer.

It contains everything essential to a hand-book for general worship and special services. The hymns and tunes include the old favorites, while the most acceptable modern music is largely represented.

From the New York Times.

In its mechanical arrangement, the book leaves scarcely anything to be desired.

From Rev. J. E. Rankin, D. D., Washington, D. C.

The book is a grand one; certainly the best of its kind I have ever examined.

From Rev. Edward Hawes, D. D., Pastor of North Cong'l Church, New Haven, Conn.

The choir and congregation are equally pleased with the tunes and the hymns.

From Rev. C. L. Thompson, D. D., Pittsburg, Pa.

It is every-way an admirable book: convenient in size and shape, rich in hymns and tunes, and fully adapted to all the demands of social and public worship.

From Rev. A. Hastings Ross, First Congregational Church, Port Huron, Mich.

It meets our highest expectation. It has hymns enough; it is clear in typography, beautiful in appearance, and its hymns and tunes grow upon us with use.

From Rev. J. A. Biddle, Pastor Congregational Church, Oswego, N. Y.

Both choir and congregation are delighted with it. It is, in my judgment, the finest collection of hymns and tunes yet published. I cannot commend it too highly.

From Rev. J. F. Dudley, Pastor Congregational Church, Eau Claire, Wis.

"Songs of Christian Praise" gives most excellent satisfaction. The more the congregation use it, the better they like it.

From Rev. E. E. Williams, Elyria, Ohio.

Since its introduction it has amply justified our preference. It has grown in the esteem of both choir and congregation. We find special pleasure in using the admirable selections for responsive reading.

From Rev. Eli Corwin, D. D., Racine, Wis.

The book is admirably adapted for church service, and is the best book for that purpose with which I am acquainted.

From Rev. F. A. Noble, D. D., Chicago, Ill.

The selections for responsive reading seem to me to be as near perfect as possible.

The Congregationalist.

THE proprietors of the CONGREGATIONALIST long since learned that the best way in which any journal can commend itself to confidence and patronage is to deserve the same; and in looking forward to its issues for 1882, they only desire to assure those whom they address that it is, and will be, their steady endeavor, with the most liberal expenditure of money and the wisest use of all the talents and opportunities at their disposal, to improve their journal during the coming twelve months as much as possible.

As at present organized, the following is the composition of the editorial staff, viz. :—

HENRY M. DEXTER, *Editor*.

ALEXANDER HUNTINGTON CLAPP, *Editor in New York*.

MORTON DEXTER,

MARVIN D. BISBEE, } *Associate Editors.*

FRANCES J. DYER,

A. F. SCHAUFFLER, *Sunday-School Editor*.

J. F. C. HYDE, *Agricultural Editor*.

CHARLES A. RICHARDSON, *Managing Editor*.

Competent assistance is also employed, as needed, in the weekly preparation of commercial, scientific, and other matter.

As to correspondence and contributions, this journal has never had so faithful, efficient, and, it may fairly be added, distinguished a body of colaborers, as at present. In addition to weekly letters from New York and (while Congress is in session) from Washington, it now has one also, supplemented by regular telegrams, from Chicago, in the aim to meet, in the fullest possible manner, the needs and views of the constantly increasing number of its Interior and Western subscribers.

We are now offering as a premium the new volume by Rev. E. P. Roe, entitled WITHOUT A HOME, last year printed in our columns, thus :—

For One New Subscriber, One Book.

For Two New Subscribers, Three Books.

This offer is made only to old subscribers whose subscriptions are paid for a year in advance. There is large inducement, of course, to secure two new names.

THE MANUAL OF PRAISE.

FOR

Sabbath and Social Worship.

Edited by PROF. HIRAM MEAD, D. D., of the Oberlin Theological Seminary, and PROF. F. B. RICE, Mus. Doc., Director of the Oberlin Conservatory of Music.

The Book contains 606 Hymns and Chants, about 350 Tunes, and 432 pages.

It is a "Manual" for all occasions, designed to meet alike the needs of the churches for Sabbath worship, missionary concerts, the prayer-meeting, the Sabbath school, and the home.

The book has already been introduced into a great many Churches, and receives the highest

COMMENDATIONS.

"Our readers will find this one of the few hymn-books which really deserve to be placed in the highest rank. There are as many hymns as any congregation needs, tunes enough, and they are first-rate. The 'topical index' is especially to be praised."—*Congregationalist*.

"The 'Manual of Praise' seems to combine the three things which we want in such a book; viz., dignity, variety, and completeness."—*Rev. G. Frederick Wright, Andover, Mass.*

THE ADVANCE.

ITS AIMS AND SCOPE.

ONE OF THE OLDEST AND MOST SUCCESSFUL PASTORS OF THE NORTHWEST gives the following summary as gathered from a weekly examination of the ADVANCE for several years, and as embracing the reasons why he asks his people to take it, viz.:-

The ADVANCE seems to aim:

1. To express the religious life of the denomination in its best forms.
 2. To express the religious life of the past while promoting first that of the present.
 3. To bring into its columns whatever is significant in the "religious world" of to-day.
 4. To furnish a summary of correct information concerning the churches, pastors, associations, missionary meetings, etc., and all changes in "ecclesiastical relations."
 5. To give a candid, and, as far as may be, an impartial opinion on all questions of a practical nature which stir in the Christian thought of the present; e. g., temperance, education, revivals, etc.
 6. To supply brief useful notices of all topics of popular interest, such as political, reformatory, æsthetic, etc.
 7. To open an outlet for personal views of living questions.
 8. To bring the churches and individual Christians into a friendly and fraternal knowledge of each other.
 9. To aid in concentrating the power and efficiency of the scattered Christian churches of the Old and New West.
 10. To perform the offices of a Christian newspaper in all particulars which may interest subscribers old and young.
- In general, to put "spank" into every good thing that is going on.

OUR FIFTEENTH YEAR, 1882.

We offer better inducements than ever before to friends who lend a helping hand toward enlarging our list of subscribers. And we have every reason to expect the ADVANCE will be more valuable and attractive this year than ever hitherto.

A Good Agent is wanted in every town, on liberal commission. Send for terms.

The price of the ADVANCE is \$2 per year. Special to Ministers and Missionaries, \$2.20. Samples free.
